WHAT TO EXPECT
ON YOUR LANGUAGE JOURNEY

Preparing for a Spanish program abroad can be daunting. Here we have created a list of everything you need to know about studying at don Quijote.

YOUR FIRST DAY

Your first day starts at 8.00 am on Monday morning where you will be greeted at our schools. You will start your day with an oral test (written assessment test is online, which you will receive 1 week before your arrival) in order for us to place you in the correct language level and class. You will afterwards be introduced to your teacher and classmates before being greeted by the School Director during the campus and neighborhood tour. You will also receive our don Quijote Student Welcome Pack.

YOUR LANGUAGE LEVEL

Your Spanish proficiency is determined by taking a specially designed test, which you will do during your first day of school and is scored on a scale of six levels from Complete Beginner (A1) to Proficient (C2). The levels of our courses are developed according to the Instituto Cervantes curriculum (PCIC) which follows the Common European Framework of Reference for Languages (CEFR).

YOUR SCHEDULE

To ensure the effectiveness of our programs, don Quijote follows a general schedule of morning and afternoon classes. However, as part of our commitment to flexibility, we are happy to work with each student to meet their specific needs. Your timetable is structured based on the program you have chosen.

HOW WILL YOU LEARN

Our learning methodology combines classroom lessons with special interest/cultural classes, workshops, lectures and outside the classroom classes. All our programs are designed to help you learn Spanish in a fun and enjoyable way.

1

INTENSIVE SPANISH CLASSES

These regular classes are divided by levels and focused on improving vocabulary, grammar, reading, writing, listening, speaking, and pronunciation skills.

2

EXTRA DAILY WORKSHOPS

On a weekly basis, we offer additional Spanish culture and conversation workshops. These classes cover culture and current events where you will be able to gain a deeper knowledge of Spanish and focused on developing conversation and communication skills through the debate of subjects you are interested in.

3

OUTSIDE THE CLASSROOM

Learning Spanish is not just about attending classes, it is a true linguistic and cultural experience. Therefore, through different activities we encourage all our students to practice their Spanish outside the classroom while many times forging friendships that last a lifetime.

YOUR SPANISH PROFICIENCY

We guarantee continuity within all levels so that you can have a seamless learning experience with no interruptions. Every level is offered in all schools on a weekly basis which allows you full flexibility to combine destinations. After completing the program, we hand all students an attendance and completion certificate documenting their program, hours completed, and current level of proficiency achieved.

BARCELONA

"I have been teaching Spanish as a foreign language to international students for the past 30 years. I am also the academic coordinator of the don Quijote Barcelona School. What I enjoy most of my work is being able to bring the Spanish language and culture closer to the world. Our main goal at don Quijote is to make your stay with us an unforgettable one, both on a personal and professional level."

DEMETRIO SÁNCHEZ | BACHELOR AND MASTER'S DEGREE IN HISPANIC STUDIES
HEAD OF STUDIES

MARBELLA

"I do not only teach a language, I teach a culture, a way of life and a history that explains it all. I feel proud of working in our school in Marbella because students learn all of this in a fun and dynamic way in a great environment, where learning and optimism are our biggest values."

ALVARO MATO | BACHELOR AND MASTER'S DEGREE IN HISPANIC STUDIES
PROFESSOR

TENERIFE

"I love working with don Quijote because by being at the school and planning my courses, I am able to establish a very personal relationship with my students. They are not numbers. I have the opportunity to get to know the students and build a curriculum based on what they already know, their needs and their interests. Small class sizes also allow us to create and customize our learning path day to day."

SALOMÉ TORRES | BACHELOR AND MASTER'S DEGREE IN HISPANIC STUDIES
HEAD OF STUDIES

MALAGA

"Teaching Spanish is one of the most gratifying experiences I know. I love to see my students smile, discover their evolution, constantly get to know new cultures and ways of thinking, that fun interaction. I love that at don Quijote we take a humanistic approach, and that it's even more flexible and open."

MANUEL GONZÁLEZ | BACHELOR AND MASTER'S DEGREE IN HISPANIC STUDIES
PROFESSOR

MADRID

"I have been teaching Spanish as a Foreign Language for more than 20 years, as a specialist in Spanish literature. I enjoy coordinating and teaching different personalized Spanish programs focusing on topics such as arts, literature, culture and Spanish civilization."

PEDRO SÁNCHEZ | PHD. SPANISH LITERATURE
HEAD OF STUDIES

VALENCIA

"Every time I enter our school and mingle with our international students I feel like I have travelled to many places. I am passionate about sharing my language and culture and learning about theirs. Working at don Quijote has provided me the opportunity to merge two passions, travelling and language."

MILA DE LA CRUZ | PHD. SPANISH LITERATURE
HEAD OF STUDIES

SALAMANCA

"I am passionate about teaching at don Quijote because its small class size allows me to build such great relationships with the students that they end up becoming part of my family, or friends, or simply Facebook friends... But the best and most important aspect of the school is that we all learn from each other."

JESÚS BAZ | BACHELOR AND MASTER'S DEGREE IN HISPANIC STUDIES
HEAD OF STUDIES

SEVILLE

"Working at don Quijote is a great experience. I discover something new daily through the interaction with my students. I feel like I travel to many places every day. The student's learning and wellbeing is without a doubt the main focus of our school."

5 FEELING SAFE

"The true soul of Spanish is not in the classroom but on the streets and in the cafes and bars. don Quijote served as a touchstone, giving me the language practice and cultural background and confidence necessary to go back 'en la calle' and experience the real Spain. I hope to repeat the experience in the future."
JOHN MATTHEWS | USA

6 TOP DESTINATIONS

"The service at don Quijote was great! Before I went to Spain they contacted me and sent me all the information I needed. I was very nervous when I first arrived in Barcelona, because I was alone and it was the first time I was going to live abroad without being close to my friends or family. But there was someone from don Quijote waiting to meet me at the station and take me to my new home. At the school I got all the help I needed from the teachers and the other students. I'm really grateful to all of them."
MAIKO YAMADA | JAPAN

7 HOMESTAY: SPANISH TO THE MAXIMUM!

"A friend of mine, who has been a regular student of don Quijote for a couple of years already, informed me about the language school two years ago and I am very happy she did. I decided to stay with a Spanish family, giving me the opportunity to be in a typical Spanish environment all the time."
FRANÇOISE EPELBOIN | FRANCE

8 A VALUABLE AND MEMORABLE EXPERIENCE!

"I completed the don Quijote program Spanish Language + Internship and I had the most delightful and fulfilling experience of my life. I spent 6 fantastic weeks improving and polishing my Spanish in the unique international atmosphere of the school where teachers were brilliant and I felt at home and made a lot of friends.
I also spent 12 remarkable weeks working for a Spanish company in Barcelona which was carefully selected by the school and suited to my skills and eagerness to apply my professional experience to a challenging new environment. I had a truly memorable experience."

STUDENT ACCOMMODATION
DEEPEN YOUR STUDY ABROAD EXPERIENCE

Comfortable accommodation is an essential part of your study abroad experience. We understand the importance of having quality accommodation while you study abroad. We understand that something as simple as a broken shower can ruin an otherwise perfect day and distract you from what you are here to do – learn Spanish. We're here to make you feel cozy, secure and right at home.

ARRIVAL TIME
Arrival time for all accommodation options is after 12:00 noon on the Sunday before the course starts. Accommodation must be vacated by noon on the Saturday after your course has finished. If you arrive a day earlier, or if you want to stay a day longer, get in touch with your don Quijote office to make the necessary arrangements.

100% SATISFACTION
You may change to a different family during the first week if you are not satisfied, because the most important thing for us is that you feel at home.

TOTAL INDEPENDENCE
You will always be given your own keys so that you can come and go as you please.

PERSONAL WISHES
Are you a vegetarian, allergic to house pets or would you like to be placed in a family with young children? These and other personal preferences should be communicated as soon as possible and we will do our best to comply.

FULLY EQUIPPED
In selecting host families, we do not look for luxury and comfort in the material sense. Nevertheless, you can count on personal attention, help and advice.
You should not expect too much luxury in a student apartment/flat either, although, you will of course have all the necessary amenities.

LESS THAN 30 MINUTES
Your accommodation will be located very close to your school. We have several shared apartments and residences available in most cities which are all just a 5-15 minute walking distance from the school and are all located in the best areas in the heart of the city. Host families are located a maximum of 15 minutes walking in small cities and 30 minutes in large cities from the school, either walking or by public transportation.

HOMESTAY | HOST FAMILY

LIVE LIKE A LOCAL

Staying with a host family is a wonderful opportunity to experience Spanish in a way that will make you feel right at home.

For students who want an authentic cultural experience that will help them learn new vocabulary, pick up local expressions, and become fully immersed in the Spanish culture, staying with a host family is the best choice.

Most of our host families have worked with us since the very beginning, which says a lot about us. The families know from experience what the role of a good host is. Accommodation with a host family allows you to get the most out of your program by truly integrating yourself into local life. Experiencing real Spanish life everyday will help you quickly improve your Spanish skills. The word "family" should not be taken too literally because your family could be a single parent who takes in students because he or she enjoys the company or any other type of family. Also, keep in mind that many families live in apartments/flats rather than houses. Students will have their own keys so that they can come and go as they please. Also, phone calls can be received during your homestay.

Choose from accommodation with half board (breakfast and either lunch or dinner) or full board (breakfast, lunch, and dinner). Lunch is normally around 2 p.m. and dinner is usually served around 9 p.m. Keep in mind that eating customs and cuisine may differ greatly from your regular habits.

PRIVATE PICK-UP SERVICES
IN GOOD HANDS

From the airport, bus or train station

Traveling alone? Your first time living abroad? Would you feel more secure knowing that someone will be waiting at the airport to take you to your new home? You can reserve a 24-hour private pick-up service at an additional cost if you prefer to be picked up directly from the airport, bus, or train station. Just let us know in advance and we will be there!

SHARED STUDENT APARTMENT

BECOME PART OF AN INTERNATIONAL COMMUNITY

You will live with other international students in our fully equipped and furnished apartments. Students will have everything they need for a comfortable and productive stay. What better way is there to enjoy a language learning experience abroad than to stay in the company of other students just like you?

In shared student apartments/flats you share a apartment/flat with four or five other students. We always do our best to accommodate you in a student apartment/flat with students of different nationalities. However, the common language is typically English. We suggest that you reach an agreement with one another to speak as much Spanish as possible.

Although the student apartments/flats are not luxurious, they are equipped with all the basic facilities (a bed, table, chair and a closet). Each student apartment/flat has a living room, a television, a fully equipped kitchen, a washing machine and an iron. The kitchen and bathroom are shared and cleaning is the responsibility of everyone.

PRIVATE APARTMENT

This type of accommodation is ideal if you want to maintain your independence and enjoy a touch of 'luxury'. In every city, there are rooms of varying sizes and apartments from studios to multi-bedrooms. Apartments are fully furnished and equipped with a kitchen, bathroom, and all the necessary facilities. Internet access and Wi-Fi upon request. These apartments are located in the cities' most central and fashionable districts.

STUDENT RESIDENCE | HALL

FEEL AT HOME IN THE WORLD

If you are looking for an inviting and well-equipped stay just a quick walk from your classroom, our student residences may be the ideal accommodation for you. The residences normally house between 8 and 150 international university students and are all just a 5-15 minute walk from the school, located in the best areas in the heart of the city.

You will enjoy all the comforts of a hotel in a relaxed, communal environment shared with other international students. At the same time, you will have all the freedom and independence they want and need. Our residences are centrally located and you can get to all of the city's most interesting sites quickly and easily from any of our residences.

Our Spanish student residences have a youthful, international feel and offer you all you'll need in one building: laundry facilities, TV, prepared meals or shared do-it-yourself kitchens, and areas for studying and socializing. All of our student residences in Spain offer individual, shared and triple rooms, Wi-Fi, shared TV, shared living/dining rooms and washing machines. Bed linens and towels are provided.

You can choose half board (breakfast and dinner) or full board (breakfast, lunch, and dinner). Private bathroom on request at an additional cost.

IMMERSE YOURSELF AND ENJOY

At don Quijote we believe that learning a language is so much more than just grammar and memorization.

In order to master non-verbal as well as oral communication it is necessary to have a solid understanding of the culture. In order to achieve this, we offer complementary theoretical and practical courses and workshops in order to introduce students to a wide range of cultural activities and situations.

These cultural lessons may include movies, writing, specific discussions about communication topics, and other cultural activities such as singing or dancing.

We also organize weekend excursions to surrounding cities and attractions that vary by school and location. Additionally, the school organizes language exchanges called "intercambios" between students and native speakers to practice language skills outside the classroom.

WHAT I LOVE ABOUT ALICANTE

"Couldn't get enough of Alicante and this experience! The city is beautiful and has a great beach and a lot of fun things to do. The teachers were amazing and supportive the whole way through. They organized activities outside of our class schedules that really helped me understand Spain a little bit more and were just a wealth of knowledge! I loved my host family. We would sit down for a homemade lunch every day and talk politics, current events, or just about life... and then siesta. That is what made this experience so extraordinary, the people, the college, Alicante!"

ABOUT **CADIZ**

In the deep South of Spain lies the Andalusian port of Cadiz, capital of the province of the same name. Cadiz is a splendid coastal city that is almost entirely surrounded by water and famous for its perfect sandy beaches. People practically live outdoors, which makes the city lively and pleasant for strolling. Cadiz is quite Moorish in appearance and is criss-crossed with narrow cobbled streets opening onto small squares. Cadiz is also known for its famously wild Carnival celebrations which are not to be missed.

WHAT I LOVE ABOUT GRANADA

"I can tell you this was an experience I wouldn't trade for anything, and Granada is more enchanting in person than any testimonial can describe. The city is breathtaking and the culture infectious. ABOUT **SALAMANCA**

The province of Salamanca is situated in the west of Spain, bordering with Portugal. The city is large enough to be able to offer the advantages of a proper city, but at the same time it has the warmth and friendliness of a town. The Spanish that residents of Salamanca speak is often considered the "purest" form of Castilian Spanish spoken in Spain. For this reason Salamanca is enormously popular with people all over the world who want to learn its language. Contacts are made easily. You don't have to arrange to meet as you are bound to see everyone in the "Plaza Mayor", one of the finest squares in Spain and known as the living room of the "Salamantinos". While it may be tempting to keep to fellow don Quijote students, Spanish university students are everywhere and you'll encounter them everywhere you go.

WHAT I LOVE ABOUT SALAMANCA

"As a real university city, Salamanca attracts thousands of students from all over the world. You will note this university character in the appearance of Salamanca's streets and in the many pleasant cafés and restaurants. Salamanca is not just a student city, however. You will have an abundance of architecture and art to see, and plenty of opportunities to discover the surrounding countryside. Putting it all together, you have a city where both the young and the not-so-young will feel at home."

ABOUT **SEVILLE**

If you want to experience the folkloric heart of Spain - the scent of orange trees, the click-clack of flamenco shoes, women in bright polka dot dresses, and the heat of the Andalusian sun - Seville is the city for you. Spain's fourth-largest city and the capital of Andalusia, Seville still maintains the warmth and friendliness of a small town. To say that Seville possesses a rich history would be an understatement: it has seen the glory of the Roman Empire, the luxurious sophistication of the Moors, and the Christian "Reconquista", which eventually gave the city what is now the largest cathedral in the world. Experience a true cultural melting pot.

WHAT I LOVE ABOUT SEVILLE

"A piece of my heart was left behind in Seville. I fell in love with its people, history, cafés, narrow streets, shops, liveliness! I think this is the time in my life I have felt most alive. Now every time I speak Spanish I am transported back to this amazing experience."

CHILE

ABOUT **SANTIAGO DE CHILE**

Situated in the center of an expansive bowl-shaped valley against the spectacular backdrop of the mighty Andes mountain range, Santiago de Chile is a bustling and modern capital city. Nevertheless, despite being one of Latin America's main financial hubs and home to around 40% of the country's population, the ever-growing metropolis equally offers an abundance of open spaces from its tree-filled main square to its various carefully landscaped parks. Moreover, just an hour away from the renowned ski resorts of "Valle Nevado", "Colorado" and "La Parva", Santiago is the perfect stopping point for avid skiers. From one extreme to another, Chile's west coast equally offers an abundance of beautiful beaches.

OUR **CAMPUS**

Our partner school is located at the foot of San Cristobal Hill, the city's largest park. Set in the "Bellavista" district, Santiago's colorful bohemian neighborhood, the area is a magnet for students and artists. You will also be just a short walk away from the "Plaza de Armas" and Pablo Neruda's house. Since the 1980's, "Bellavista" has developed into the city's hotspot, and boasts a wide variety of bars, restaurants, nightclubs and theaters. As for the school building itself, it comprises of 7 classrooms, 2 kitchens and a beautiful garden.

WHAT WE LOVE ABOUT **SANTIAGO DE CHILE**

Like many Latin American cities, Santiago de Chile is defined by its contrasts: colonial and modern architecture, energizing street scenes and parks, designer shopping and farmer's markets, exciting nightlife and romantic restaurants. With ski slopes and beaches a short distance away and all that a world capital has to offer on a daily and nightly basis, Santiago de Chile is a stimulating and exhilarating place to study Spanish.

SAN JOSE

THE **HEART** OF COSTA RICA

Partner school

COSTA RICA

ABOUT **SAN JOSE**

The capital of Costa Rica is considered among the most cosmopolitan cities in Latin America. San José is nowadays a city where visitors of the entire world converge; it is a metropolis full of interesting places. Vibrant and packed with Victorian mansions, Costa Rica's rowdy, bustling capital was built on the profits of the coffee trade and working "golden bean" plantations still surround the city. San José has the feeling of the Costa Rica of yesteryear, its customs and traditions. It has world-class museums, parks, hotels, theaters, and historic buildings. Discover San Jose and enrich yourself culturally with a long walk through its streets and squares and understand the idiosyncrasies of its people.

OUR **CAMPUS**

Our partner school in San Jose is located in San Pedro—the university district of San Jose. The neighborhood offers a great student vibe and only a short 10-minute bus ride from downtown San Jose. The school comprises 15 classrooms, a computer lab, an open-air snack bar, and very nice indoor and outdoor large common study areas which serve as a great home base to get to know other people, plan activities and practice your language skills.

WHAT WE LOVE ABOUT **SAN JOSE**

Usually viewed as a hub, rather than a destination, newly arrived tourists barely spend a day in 'Chepe' (which is how the locals call the Costa Rican capital) with the 'Ticos' from the capital. Contrary to what you may have heard, San Jose is full of surprises and there are actually a ton of fun and exciting things to do in San Jose. Try freshly roasted local beans at Mercado Central. For shinier gold, visit the Museo del Oro. Many renovated landmarks are now house stylish hotels, nightlife is concentrated in the Spanish village-inspired 'El Pueblo'. And don't miss the elegant 1897 National Theater.

PERU

ABOUT **CUSCO**

Cusco is the oldest city in the Western Hemisphere. Set in a mountainous region considered among the most beautiful on the planet, Cusco was once the flourishing capital of the Inca Empire. Natives and visitors alike consider it the most impressive of all Peruvian cities for both its history and its remarkable mix of Inca and Spanish colonial architecture. And we've yet to mention the breathtaking beauty of the terrain and the warmth of the local people. Cusco is an ideal base from which to explore Peru, since it's situated in the same region as the ruins of Machu Picchu and the Inca Trail. Because the city lies at a high elevation, nights can be cold and days cool.

OUR **CAMPUS**

Our partner school is just a 3-block walk from Cusco's Plaza de Armas. Located on the main commercial street of Avenida El Sol, the institute sits right in the historical center and is just across the street from Q'oricancha, the most important site in the entire Inca Empire. Housed in a comfortable, modern building with 20 classrooms and a large cafe area that encourages mingling and language practice.

WHAT WE LOVE ABOUT **CUSCO**

Cusco has everything: art, magic, mystery and all the beauty you would expect in the legendary "belly button" of the world. Framed by a brilliant blue sky ringed with mountain clouds on the six hills that surround the city, Cusco's natural setting makes the city's streets and squares, majestic Inca monuments, and elegant colonial edifices all the more breathtaking and magical. Undoubtedly your stay in Cusco will be an experience you will never forget, and one you will proudly talk about - in Spanish!

1.5 don Quijote's conditions do not apply to partner schools. Each partner school has its own conditions. For more information, please contact our Head Office.
1.6 don Quijote reserves the right to use all photos and videos taken during the student's stay. Students should be aware that they may appear in IEG's or partner's promotional material, unless the student expressly states upon arrival or during the photo shooting at the school that he/she does not wish to appear.
1.7 In the case of a serious disciplinary offence or repeated bad behavior, the student will be expelled from the program contracted with don Quijote without the right to any refund.
1.8 Published offers or special discounts cannot be combined. All offers are subject to availability. There will be no changes made to bookings that have been received prior to the promotion. All offers and promotions will be applied upon enrollment. Discounts that became available after the first enrollment are not valid.
1.9 The enrollment fee is valid for one year from the first reservation made for all IEG schools in Spain and Latin America. In other words, any courses reserved during a 12-month period can be made using the same application fee.
1.10 In the exceptional case that only 2 are enrolled in a course in the same level, the school reserves the right to convert the course into a semi-private program which will result in a 50% reduction of class hours and in the exceptional case that only 1 student is enrolled in a course, the school reserves the right to convert the course into a private program which will result in a 70% reduction of class hours.
1.11 If a student cannot attend a private class, they must inform don Quijote in writing at least 72 hours ahead of time if they wish to make up the class.
1.12 In cities where programs are also available at other schools with Ideal Education Group, classes can be combined at any time.
1.13 Any comments or complaints must be submitted in writing and within the first 24 hours to **help@donquijote.org** This ensures that we can take care of the issue as soon as possible and seek a quick resolution. Only complaints made during the student's stay have the right to any possible compensation, refund, or changes. Any complaints made after departure will only be accepted as suggestions in order to improve our services.

2. COURSE ACCREDITATION

2.1 A personalized don Quijote certificate of attendance and completion will be issued for studies in accordance with the guidelines established by the Instituto Cervantes and the current legislation regulating non-accredited education.
2.2 The certificate will contain the name of the course taken, course level, and number of hours completed. The name of the school in which the classes were given, dates of enrollment, and level achieved will also be included.
2.3 The certificate of attendance and completion will only be issued to students who attend at least 85% of their classes and is not valid as an official document in accordance with the legislation regulating non-accredited education.

3. CREDIT NOTES

3.1 Credit issued due to exceptional circumstances is only valid for up to 12 months from the date of issuance. Once the 12-month period ends, the student loses all the right to the credit or refund. Credit is valid only for the geographic region for which it was issued (i.e., credit issued for Spain is not valid for programs in Latin America) and is not transferable to other students.
3.2 Credit notes cannot be converted into a refund or be used for a partner school.
3.3 Prices vary from one year to another and will be updated. Please take in mind that this will increase or decrease the issued credit amount when using your credit note.

4. ACCOMMODATION

4.1 For registrations received a week or less prior to the beginning of a course, don Quijote does not guarantee the type of accommodation desired and requested by the student; priority is given to students who register further in advance.
4.2 In the event that a student is not satisfied with the assigned accommodation for any justifiable reason, the student may move to another accommodation of the same type (up to 3 changes allowed). Students wishing to change accommodation arrangements must notify the person in charge during their first day of the program.
4.3 All students must inform don Quijote or the host family in advance (7 days) of their approximate time of arrival. In the event that one of the previously mentioned parties is not contacted, don Quijote will not be held responsible for greeting or picking up the student upon arrival.
4.4 don Quijote does not guarantee accommodation for the family members or friends of enrolled students, as priority regarding available accommodation is given to don Quijote students.
4.5 The student will be charged for property damages caused either intentionally or through negligence.
4.6 If there is damage and no one is directly responsible, the cost of repairs will be divided among all students in the apartment or residence.
4.7 At don Quijote, respect for others and for the rules is essential for our programs to run smoothly. Students' failure to follow the established rules will be grounds for withholding the accommodation security deposit. Some examples of behaviors that merit forfeit of the accommodation deposit include having guests stay overnight, smoking in the bedrooms, consumption of alcohol, consumption of any narcotic or harmful substance, and any other conduct that don Quijote's management considers inappropriate.
4.8 It is not allowed making loud noises, having parties, ormusic in our accommodation at any time.
4.9 In the case of a serious disciplinary offence, repeated bad behavior or not following the established rules, the student will be expelled from the accommodation contracted with don Quijote without the right to a refund.
4.10 Apartments and student residences may be substituted by other types of accommodation, at the same price, during the high season in exceptional cases.
4.11 If you reserve a shared double room (shared with another student) and there is no other student with whom you can share the room, we reserve the right to change your room at any time.
4.12 If we make an upgrade to a single room during your stay, and we need the accommodation after your arrival, we reserve the right to change your room at any time again to your original reserved and confirmed booking accommodation option.

5.8 All students who wish to cancel their program (course and/or accommodation) prior to arrival must notify don Quijote in writing by email **infocentral@donquijote.org** or by certified mail to our head office in Madrid.

5.13 Holidays & Course break: 1 free week off for holidays is available for every 4 weeks of study (1-week notice required. 5.16 A penalty of € 850 will be applied to cancellations made in the last four weeks prior to arrival.
5.17 No refunds will be granted two week before or any time after arrival in any case.
5.18 Due to COVID Safety protocols our summer residential program, provided by Enforex Camps, reserves the right to carry out a COVID rapid test on the students at any time when necessary to ensure the students' and center's safety. In the event that a student's parents refuse their child to undergo the aforementioned test, the student will need to abandon the program immediately with its due cost and no right for refund whatsoever.

6. TRAVEL HEALTH INSURANCE

6.1 Without insurance, students are not covered for any illness, accident, or loss of property (inside or outside accommodations or classroom) during their stay. don Quijote recommends the use of optional insurance, at a cost of € 50/$ 60 per week.

7. CANCELLATION GUARANTEE | RECOMMENDED

7.1 To avoid cancellation expenses in the case of cancellation before and after arrival, don Quijote recommends students purchase a Cancellation Guarantee at a (non-refundable) cost of € 75/$ 90 per week (€ 105 per week for the Summer Camp and Junior Program). To be valid, the total cost of the Cancellation Guarantee must be paid upon booking along with the deposit.
7.2 This guarantee is personal and nontransferable and must be purchased, signed and paid in full upon enrollment in order to be valid. You can add extra services but not decrease the coverage.
7.3 When you purchase this guarantee, the time period covered by this guarantee is from the day of enrollment until the finalization of the program with don Quijote. We will refund the cost of your course, accommodation and extras if you cancel.
7.4 Students who purchase the Cancellation Guarantee can cancel all or part of their program for any reason without justification. I.e. homesick, course break, returning back to home country, examination, work, illness including Covid-19 of either the student or an immediate direct family member, pregnancy, being called to court proceedings or as a member of an electoral board, damage to your property requiring your presence, cancellation of the trip by the airline, the obligation of doing military service...
7.5 Student will be refunded 100% of the unused part of the program in case the cancellation is made during your stay.
7.6 Cancellations not communicated before Monday of the previous week will be charged for one week of course and accommodation.
7.7 An administration fee of € 75/$ 90 and € 35/$ 40 bank charges will be charged for all refunds.
7.8 In order to cancel a language program, the student must give notice via email to **seg@iegrupo.com** The day after the email is sent will be considered the day the course has been officially canceled. Cancellation is only valid once an email has been received. For this reason, it is important that the student is certain that the email has been received. The money will be returned within 30 days of the official cancellation date.
7.9 Students who require and have obtained their visa through don Quijote can purchase the cancellation guarantee, however their cancellation will only be considered once the student provides proof of having left the host country. In these cases, 9% of the amount to be refunded will be charged plus an administration fee of € 75/$ 90 and € 35/$ 40 bank charges will to cover administrative costs.

8. VISAS FOR SPAIN

8.1 Citizens of countries belonging to the European Union do not need a visa to enter Spain.
8.2 Students coming from other countries should obtain information regarding the requirements for obtaining a visado (visa) at their nearest Spanish Embassy or Consulate. The certificates that accredit and confirm a student's enrollment in a Spanish program at don Quijote can only be signed, sealed, and sent by people authorized by don Quijote, who will not be responsible for rejected visa applications. These certificates do not hold any official validity; they serve only as confirmation of a course to be taken at one of our schools. Such documents will only be sent to cover the amount of course time initially contracted by the student. don Quijote will send out, free of charge and to any student who asks for them, the following documents (if and only if the total cost of the program has been paid):
- Confirmation of the Spanish program chosen by the student.
- Invoice for the total cost of the program in question (course + accommodation).

8.3 In the event that the student should urgently need the originals of any of these documents, don Quijote will send them and charge the cost of express mail to the student.
8.4 If a student visa is rejected, don Quijote will refund the cost of the program minus € 350/$ 400, and any additional basic costs. The student must show don Quijote formal proof (original copy) that their visa application has been rejected in order to receive a refund. If this original copy is not received by don Quijote, 100% of the cost of the program will be charged.
8.5 Any refund from don Quijote if a student visa is rejected will be subject to a 9% charge (a minimum of € 75/$ 90).
8.6 If the student does not obtain the visa on time for the reserved program and expected date of arrival and needs to delay or cancel his/her arrival, we will charge 100% of the first 2 weeks plus all described cancellation fees (see section 5).

9. AIRPORT TRANSFER SERVICES

9.1 Flight information (place, date, time, and flight number) must be confirmed in writing at least one week prior to arrival. Otherwise, don Quijote will not be held responsible for picking up the student at the airport and there will be no refund.
9.2 If the student cancels the airport shuttle service less than one week prior to arrival, he/she will lose the right to a refund of the cost of that service.
9.3 In the exceptional case that other students who have reserved a private airport transfer service with us arrive around the same time, our driver reserves the right to combine the transfers.

One-to-One classes will always be made up.
