GEOS LANGUAGE INSTITUTE, NEW YORK

GEOS Language Institute

is located inside the world famous Empire State Building, in the heart of Manhattan.

GEOS Full Time Courses are designed to help students improve their English ability, with a focus on conversation and communication. Language skills are developed through a comprehensive, multi-skilled learning system, taught by qualified native instructors.

GEOS believes that the fastest and most effective path to fluency is through conversation. Thus, students are encouraged to use their new language skills as quickly and as frequently as possible. Early, continued success in speaking and understanding helps build the confidence needed in real-life conversational situations. Building confidence is the primary goal of all GEOS language courses.

GEOS language instructors are caring, and patient professionals...qualities we feel are essential in helping to build confidence and maintain motivation.

INTENSIVE ENGLISH INTEGRATED SKILLS

During the Integrated Skills Class, students study four English skills - reading, writing, speaking, and listening - in a communicative way through a system called Community Language Teaching. Students use various activities to practice English conversation including listening tasks, role plays, and discussion. Practical reading and writing tasks and vocabulary studies are presented as well.

ORAL COMMUNICATION

During the Oral Communication Class, students will cover a variety of topics while practicing English conversation management, American conversational styles, and pronunciation. Students learn commonly used American idioms and slang in a communicative way. Students use various activities to practice these new idioms including listening tasks, role plays, and discussion.
