Learning Supports

1 ONLINE PLACEMENTS

Our convenient online placement system measures your language performance across a range of features.
Accurate assessment ensures that we begin your journey on the right foot and lays the path for your growth.

2 HUMANISTIC CURRICULUM

Learning a language touches many layers in your life, and we recognize the importance of finding meaning. Using a humanistic approach creates a rich experience for you, allowing you to connect with the language and learn it more deeply.

3 INSTRUCTOR TRAINING

Instructors assume many roles in a learner's journey from trainer and coach, to facilitator and mentor. We endeavour to nurture our teachers on many levels so they are able to support your language development optimally.

4 PRO INSTRUCTORS

Setting the stage for learning can be equally as important as the lesson itself. We seek instructors who are positive, respectful, and open-minded so you feel welcome, comfortable to share, and get in the zone, so you learn more easily.

5 STUDENT FILES

Our learning file system allows teachers to collaborate in your learning by tracking and recording your progress in detail during and after every class. You will always receive a class tailored to your abilities and stage of development so you experience constant improvement.

6 PROGRESS REPORTS

Regular, detailed progress reports provide a detailed snapshot of where you are in your learning path. You will be made aware of challenges to overcome, know where you stand, and see whether you are on track to reach your goals clearly.

7 ACADEMIC COUNSELING

Moving forward often involves receiving deeper insight into how to progress and the opportunities ahead. One-on-one sessions with a member of the Academic Team will help you feel confident in your choices towards your goal.

8 ACADEMIC TEAM

Our Academic Team keeps its eyes on your entire journey at CLC.
An Academic Coordinator ensures the quality of the program; a Teacher Coach guides and supports instructors; and a Student Liaison monitors your development.
