The school

WELCOME TO THE TOTNES SCHOOL OF ENGLISH

“My aim is to ensure the highest possible standards in all areas of the school and to give you a cross-cultural language learning experience that will stay with you forever.”

Margie Barker, Principal and Owner of TSE.

Started in 1980, TSE offers a warm, personal welcome to every student. We treat every student as a VIP and will deal speedily and efficiently with your enquiry, giving you all the help you need.

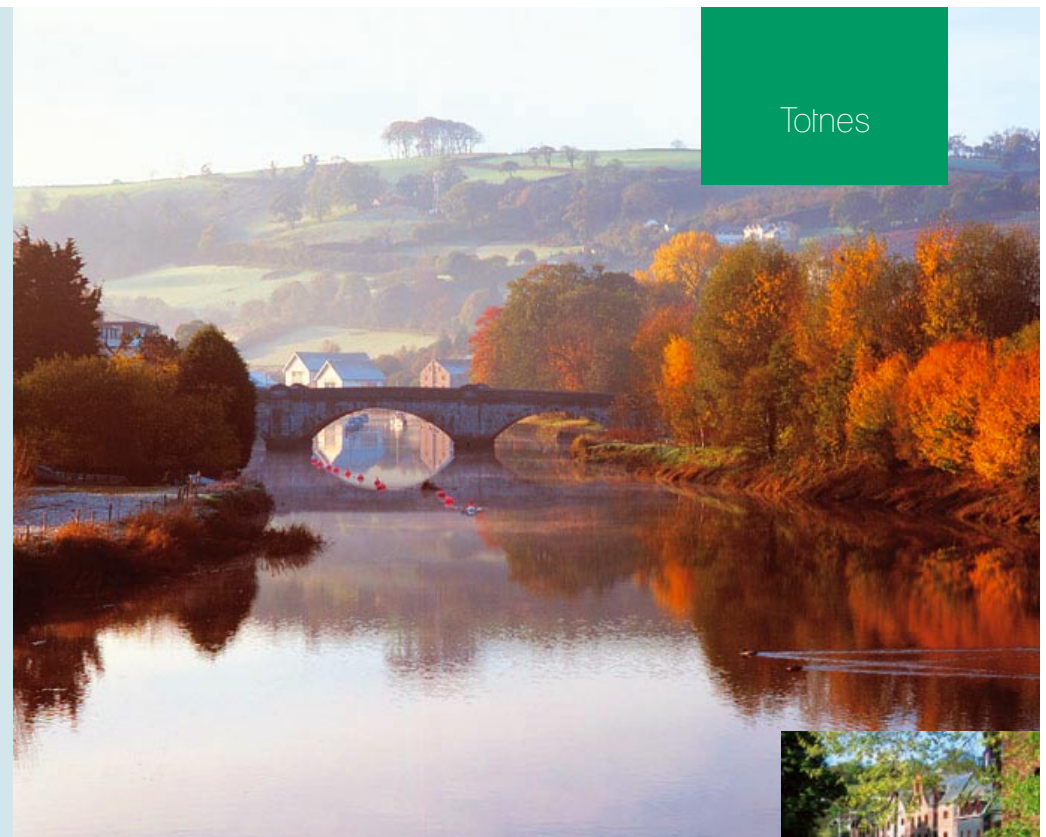

TSE is British Council accredited which means our teachers are fully qualified to teach English as a Foreign Language. We will ensure that you have the best possible learning experience aimed at your specific needs.

We arrange high quality and comfortable accommodation with experienced and welcoming host families, within walking distance of the school. Our free social programme includes workshops in art, music and natural health, sport, parties and optional Saturday trips (extra cost).

Totnes

Totnes

Situated in the South West of England between the stunning Dartmoor National Park and the picturesque South Devon coast, Totnes is a small historic market town of 8000 people. A centre for music, art, theatre and natural health, Totnes is a blend of traditional and alternative cultures, reflected through the teachers, host families and social programme. The main street is full of atmospheric shops, bars, restaurants and cafes. A safe, friendly town, Totnes is the ideal environment for the serious student to study and relax.

Our school is centrally located in the historic Gate House building (see front cover) in the centre of the town, reflecting the close relationship TSE has with the community.

Totnes School
of English

As well as maintaining an excellent standard of English teaching we also provide our students with a full social programme. This, along with the benefits of living in a host family, enables students to develop their language skills outside, as well as inside, the classroom.

We also believe that learning English, like any language, can be mentally and emotionally tiring and at times stressful. The social programme offers the chance to relax in the company of others enjoying activities like sport, art or any of the others on offer. We also give students the opportunity to benefit from Totnes's unique position as the 'Natural Health capital of the South West', by inviting different qualified practitioners to the school to run Natural Health Workshops in various therapies including Qi Gong, yoga, spiritual healing, reflexology and Bach Flowers. There is no better way to get relaxation of body and mind.

Listed is just a sample of the activities which you can enjoy:

- Saturday trips to Dartmoor, the coast and other places of interest*
- Badminton and basketball sessions at the local sports centre
- Yoga
- Football
- Pub visits
- Varied afternoon workshops in natural health, art, music, politics and others
- Video evenings and quizzes
- School parties

** An additional charge is made for Saturday trips.*

We also organise trips further outside Devon, usually on Sundays, for example to Bath, Cardiff and Cornwall, for an additional cost.

One of the advantages of studying English in Totnes is that you are in contact with English at all times – in class, in the social programme and also at home with one of our friendly, welcoming host families. When you arrive in Totnes your host family will collect you from the train or coach station, if possible, and show you how to get to school in the morning, so you can relax in our lovely town from the start of your stay.

Since Totnes is a small town, most of our host families are within easy walking distance of the school so you do not have to worry about getting on buses or trains.

TANDEM

Another effective way to improve your English is through the use of our Tandem Partnership scheme.

We will try to find you an English speaker who is interested in learning your language and arrange informal conversation practice in both languages. Subject to availability.

Getting to Totnes

Totnes is only 30 minutes from the cities of Plymouth and Exeter and just 3 hours by direct rail (www.trainline.com) and 5 hours by direct coach (www.nationalexpress.co.uk) from London terminals and airports.

There are also international flights to and from Bristol (2 hours by train) and Exeter (40 minutes by train) airports. A ferry service runs from Plymouth to Roscoff in France.
