## GENERAL PAYMENT CONDITIONS OF BLI IMMERSION PROGRAMS

1. The payment schedule for immersions will be as follows: 20% of the total amount due at the time of registration, the remaining 80% due 3 weeks (21 days) before the scheduled start of the program. The total amount could also be paid at initial registration.

2. Any and all notice of cancellation by the client must be given in writing by registered mail, fax, or e-mail and must fall within the following guidelines for the client to be eligible for reimbursement:

**A)** The 20% paid at the time of registration will not be reimbursed under conditions other than those set out in number 3 below. **B)** If the client, by means of the sales representative, is obliged to cancel his or her program more than 2 weeks before the scheduled start of the program, all money paid, other than the 20% of the total cost paid at registration, will be reimbursed within the 30-day period following the receipt of written notice of cancellation by letter or fax. **C)** If the client, by means of the sales representative, cancels his program within the period of 6 to 13 days before the scheduled start of the program, 60% of the money paid, other than 20% of the total cost paid at registration, will be reimbursed within the 30-day period following the receipt of written notice of cancellation by letter or fax. **D)** If the client, by means of the sales representative, cancels 5 days or less before the scheduled start of the program, 20% of the money paid, other than the 20% of the total cost paid at registration, will be reimbursed within the 30-day period following the receipt of written notice of cancellation by letter or fax. **E)** No money will be reimbursed for a program cancelled by the client the day the program is scheduled to start or during the program. However, in extremely serious circumstances (documentation may be required); **BLI** may credit the representative who in turn must reimburse the student. The representative will then apply this credit to the registration of another student for **BLI**. In all cases, **BLI** requires four (4) weeks notice, which will not be credited. The credit must be applied on a new registration, no more than six (6) months after the date of the initial cancellation. After this delay, the credit will no longer be valid. **F)** If a client is obliged to cancel his or her program due to visa refusal, all money already paid, minus administration fees of \$300.00 CDN, will be reimbursed within the 30-day period following the receipt of the Canadian or American Embassy's original letter of refusal. The document must accompany the letter of Acceptance delivered by our school.

3. If for any reason **BLI** is obliged to cancel a program before the scheduled starting date, all money paid for the program, including the 20% paid at registration, will be reimbursed. Programs cancelled by **BLI** after the start of the program will be proportionately reimbursed or the missing hours will be rescheduled.

4. Commission: If a student wants to extend his/her stay; **BLI** will give the appropriate commission to the Agent who will then deduct it from future payments. This deduction must be used within 6 months after the beginning of the extension.

### ACCEPTANCE – VISAS – AIRPORT

1. Students may not begin classes or homestay until the balance of all fees for the period indicated in the Letter of Acceptance is paid in full.

3. Students are responsible for arranging their own insurance prior to leaving their country.
4. The school is not responsible for flight delays or last minute schedule changes. In such cases, the school representative will not wait for the student at the airport and students will have to make their own arrangements. The airport reception fee will not be refunded.
