BLI – FRENCH IN QUÉBEC CITY

QUÉBEC CITY

Tourist Information

Located on the majestic banks of the Saint Lawrence River, Québec City is one of the most picturesque cities in the world, and the capital of the Province of Québec. Founded by Champlain in 1608, it is the cradle of French civilisation in North America. The greater Québec area population now nearly totals 700,000. Québec City is rich in history, architecture and traditions with a genuine European appeal. You will appreciate its pedestrian streets, excellent restaurants and numerous cafes. Québec is the only city in North America that has kept its historic fortifications. It was proclaimed a UNESCO World Heritage Site in 1985.

BLI is located in the heart of Nuovo St-Roch district parc, shops, cafés, restaurants, pubs and bars, cinema, theater, Québec's fashion design, supermarkets, bus and train station, and walking distance from the Old City. Nuovo Saint-Roch is the artist and high technology district.

Please note that although there is no subway system in Québec City, there is an excellent network of bus routes throughout the city. Depending on the season, you can attend either the Québec Summer Music Festival, and the Québec Winter Carnival.

EVALUATION

A placement test will be given to students upon arrival. The test allows us to evaluate the student's level, for both group and individual courses. Group courses are organized so to ensure that all students in a given group are at same or very similar level. Progression from one level to the next depends on the student's individual progress and the teacher's recommendation.

GROUPS:

A group is formed of no more than 9 students at same or very similar oral production level. In order to maintain the homogeneity of the level, group might be smaller than 4 students. When this situation happens, **BLI** adjust the schedule in the following manner:

1 student:	10 hours per week.
2 students:	15 hours per week.
3 students:	17.5 hours per week.
4 to 9 students:	20 hours per week.

SCHEDULE

Courses are from Monday to Friday, **20 hours a week**. Schedule is from 8:00 am to 12:00 pm **OR** from 1:00 pm to 5:00 pm, as planned by BLI scheduler.

NB: Group courses missed for personal reasons or because of holidays will not be made up for.

LODGING:

Homestay lodging (private bedroom, breakfast and dinner) is strongly suggested. All of our host are interviewed beforehand and provide us with a profile of themselves. BLI invites each student to evaluate their homestay experience.

NB: Lodging is calculated from Sunday evening to Saturday morning; additional nights will be charged.

PROGRAM N°1+2a COMBINED GROUP COURSE + PRIVATE CLASSES

DEFINITION:

In this program, students take 20 hours per week in a group (see hours restrictions in program n° 1) and, in addition, a certain number of hours (determined by the student) in a private course. This is especially good for foreign students who are preparing to take language examinations such as DELF, DALF, and TFI.

ADVANTAGES:

For a moderate price, the participants can combine the advantages of the two programs: General French in a group course plus the possibility to focus on his/her specific needs or difficulties in a private course.

RATES

In Canadian dollars, per person

COMBINED PROGRAM N° 1 + 2a – group course + private tutoring

RATES WITHOUT LODGING AND BOOKS

Program n° 1 + Program n° 2a preparation for exams or special needs:
For students who are preparing to take language examinations such as DELF, DALF or TFI.
Also for students who wish more specific French vocabulary for work or other purposes.

The student takes the group class in Program n° 1 (20 hours per week)
plus the number of private lesson (Program n° 2a) of his/her choice.

The rate will be calculated by taking the number of weeks the student registers
for + the number of hours of private lesson he/she wishes to have per week.

EXAMPLES

<u>Weeks</u>	<u>Rate</u>
2 weeks + 5 hours/week (10 hrs)	\$590 + \$630 = \$1220
4 weeks + 5 hours/week (20 hrs)	\$1180 + \$1260 = \$2440
2 weeks + 10 hours/week (20 hrs)	\$590 + \$1260 = \$1850
4 weeks + 10 hours/week (40 hrs)	\$1180 + \$2520 = \$3700

A) The 20% paid at the time of registration will not be reimbursed under conditions other than those set out in number 3 below. **B)** If the client, by means of the sales representative, is obliged to cancel his or her program more than 2 weeks before the scheduled start of the program, all money paid, other than the 20% of the total cost paid at registration, will be reimbursed within the 30-day period following the receipt of written notice of cancellation by letter or fax. **C)** If the client, by means of the sales representative, cancels his program within the period of 6 to 13 days before the scheduled start of the program, 60% of the money paid, other than 20% of the total cost paid at registration, will be reimbursed within the 30-day period following the receipt of written notice of cancellation by letter or fax. **D)** If the client, by means of the sales representative, cancels 5 days or less before the scheduled start of the program, 20% of the money paid, other than the 20% of the total cost paid at registration, will be reimbursed within the 30-day period following the receipt of written notice of cancellation by letter or fax. **E)** No money will be reimbursed for a program cancelled by the client the day the program is scheduled to start or during the program. However, in extremely serious circumstances (documentation may be required); **BLI** may credit the representative who in turn must reimburse the student. The representative will then apply this credit to the registration of another student for **BLI**. In all cases, **BLI** requires four (4) weeks notice, which will not be credited. The credit must be applied on a new registration, no more than six (6) months after the date of the initial cancellation. Programs cancelled by **BLI** after the start of the program will be proportionately reimbursed or the missing hours will be rescheduled.

4. Commission: If a student wants to extend his/her stay; **BLI** will give the appropriate commission to the Agent who will then deduct it from future payments. This deduction must be used within 6 months after the beginning of the extension.

ACCEPTANCE – VISAS – AIRPORT

4. The school is not responsible for flight delays or last minute schedule changes. In such cases, the school representative will not wait for the student at the airport and students will have to make their own arrangements. The airport reception fee will not be refunded.
5. The student must respect the rules and regulations of the school.
