Clubclass & Malta

Malta has rapidly acquired a reputation for excellence in teaching English as a foreign language. Clubclass has helped form this coveted status by providing a highly immersive educational system that gives rapid and lasting results – the residential language school.

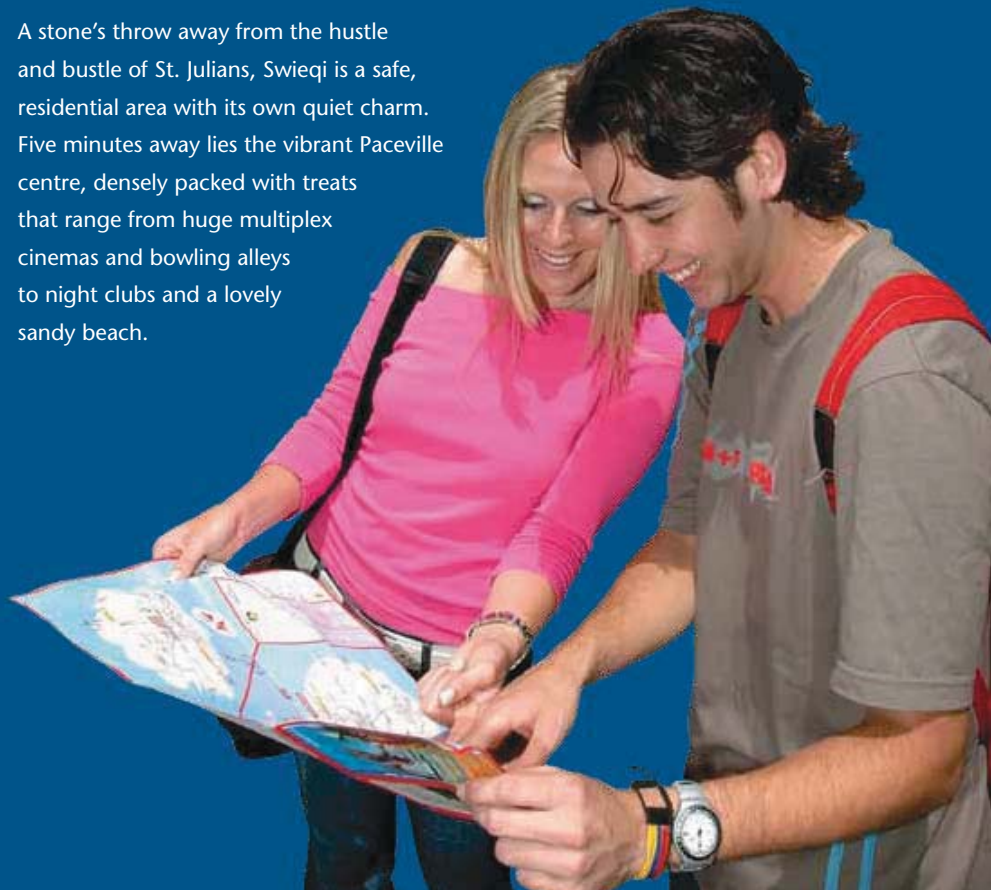

A brief history

Malta was a British colony for over 150 years. Since independence from British rule, daily use of the English language has never subsided and the Islands are officially bi-lingual. Business, scientific, educational and other circles use English as the predominant language. English is also spoken exclusively in a number of social circles. When enrolled in an English language course in Malta, students are able to communicate with all locals and in all situations, encouraging daily and practical use of the language.

We're right here

A stone's throw away from the hustle and bustle of St. Julians, Swieqi is a safe, residential area with its own quiet charm. Five minutes away lies the vibrant Paceville centre, densely packed with treats that range from huge multiplex cinemas and bowling alleys to night clubs and a lovely sandy beach.

Our School

The steady increase in popularity of Clubclass is the result of the hard work and dedication that can only be achieved by a family-run establishment. Our residential language school set-up provides a totally immersive teaching environment. At Clubclass, we pride ourselves on our commitment to deliver quality language tuition to all our students on a personalized level. Clubclass is licensed by the Ministry of Education, an accredited member of FELTOM and a full member of ALTO and WYSE Travel Confederation.

Adult Courses

Courses for adults are based on the Common European Framework of Reference for Language Learning and Teaching established by the Council of Europe. Courses are offered at six levels ranging from beginner to advanced, with each level in between offering incremental language development. All courses at Clubclass have been designed to engage, stimulate and motivate students. This combination of factors has been shown to deliver the most rapid results for communication and practical usage. Lessons are delivered by highly experienced and professional teaching staff using the latest educational materials.

The appropriate level of language-learning is established during the first session by means of a placement test. This determines language ability in four areas: speaking, listening, reading and writing. Regular monitoring is also carried out to assess progress. The Director of Studies is always available to offer support and advice about any academic issues. On completion of their course students receive a certificate that confirms attendance and level attained.

Enjoy the breath-taking scenery and the quaint timeless lifestyle on a visit that tours the essential 'must-see' places.

Gozo Jeep Safari

Explore Gozo the adventurous way by jeep visiting the island's main attractions such as the Azure Window, the Inland Sea, Victoria and the Citadel, as well as Ramla Bay (an orange coloured sandy beach). Focusing on places that are not usually visited by the traditional excursion routes and driving through countryside roads or dirt-tracks, one also gets to see the beautiful unspoilt areas of the island.

Heart of Malta Tour

Visiting the true heart of Malta. A licensed guide provides a tour of all those not-to-be-missed places of interest that really complete the Maltese experience. There is no better way of really taking a visit beyond the beaches and into the true spirit of the Islands.

The only powerboat tour on the Islands that goes all the way past Mellieha Bay and the North Coast of Malta to the sound of summer hits for the thrill of a lifetime. Mdina and Rabat are fascinating to tour for their timeless atmosphere and their cultural and religious treasures.

Valletta - Capital City Tour

The Fortress City, "a city built by gentlemen for gentlemen". Valletta has many titles, all recalling its rich historical past. It is the "modern" city built by the Knights of St. John; a masterpiece of the Baroque; and a UNESCO World Heritage City. Nowhere in Malta is the life of the Islands reflected more than here. The grid of narrow streets house some of Europe's finest works of art, churches and palaces.
