Why COINED?

We are leaders in Latin America receiving every year over 4000 students in all major Latin American cities, ensuring a deep immersion in the Spanish-speaking culture.

Our commitment

Our staff and teachers' priority is to make sure our programs meet your expectations because we understand that your choice to pursue an experiential education entails risk and adventure. We always ensure that you receive the best quality service and that all of your needs are met promptly.

With that in mind we offer you:

Plenty of destinations throughout the Latin American world

Our Spanish Schools are located all over Latin America: Argentina, Chile, Uruguay, Bolivia, Peru, Ecuador, Costa Rica, Guatemala, México, Honduras, Dominican Republic and Cuba. You can combine your program in any of our schools, in the order you prefer, receiving the same high quality of teaching and standard methodology.

Accommodation near the school

Our Host Families, Residences and Private Apartments are usually at a maximum of a 30 minute walk in small cities and 30 minutes by public transportation in bigger cities.

International certificates

Our school's certificates are internationally recognized thanks to our multiple partners in the industry. We also offers preparatory courses for DELE exams, the official qualifications certifying levels and competence in the Spanish language, granted by the Spanish Ministry of Education Culture and Sport.

College credits

COINED offers you the possibility of obtaining credits in cooperation with various international colleges and universities.

24hrs emergency message service

You may contact us at night and around the clock, 365 days a year in case of an emergency. Upon confirmation of your program you will receive all contact details.

Our schools

Our schools offer:

• Customized attention

All of our staff has extensive experience traveling abroad and they will be at your service to advice you, to help you, to select the program that best suits your needs and answer any questions you might have.

• Variety of courses

You can choose among our flexible courses suiting all needs and ages. On top of that, our courses are for complete beginners, intermediate or advanced students. Choose to take an individual or group course, the length of the course and the amount of hours per day.

• Cultural activities

We offer you a minimum of two recreational activities per week so you can get immersed in the local culture.

• Small learning groups

All our classes have a maximum of 8 students, guaranteeing a personalized attention and, at the same time, the possibility of putting your Spanish to the test.

Our memberships

We are internationally recognized by leader organizations in the education and exchange fields, as well as by many countries's governmental institutions and world-known universities.

We have a wide network of partners. Among them: WYSE TRAVEL CONFEDERATION (The World Youth Student & Education Travel Confederation) and ASELE (Asociación para la Enseñanza del Español como Lengua Extranjera).

About our courses

Teaching method

We include theory and practice addressing all of the linguistic and functional aspects of the spoken language, along with key social-cultural information. We always combine grammar, reading, writing, listening, speaking and vocabulary in our lessons so that you experience an authentic communicative environment.

We use textbooks, newspapers, magazines, audio-visual material, literary works and games in our lessons to promote your active and intellectual involvement.

Highlights

- Experience-based learning
- Constant feedback student-professor-group
- Value-added activities
- Small learning groups
- Follow up progress

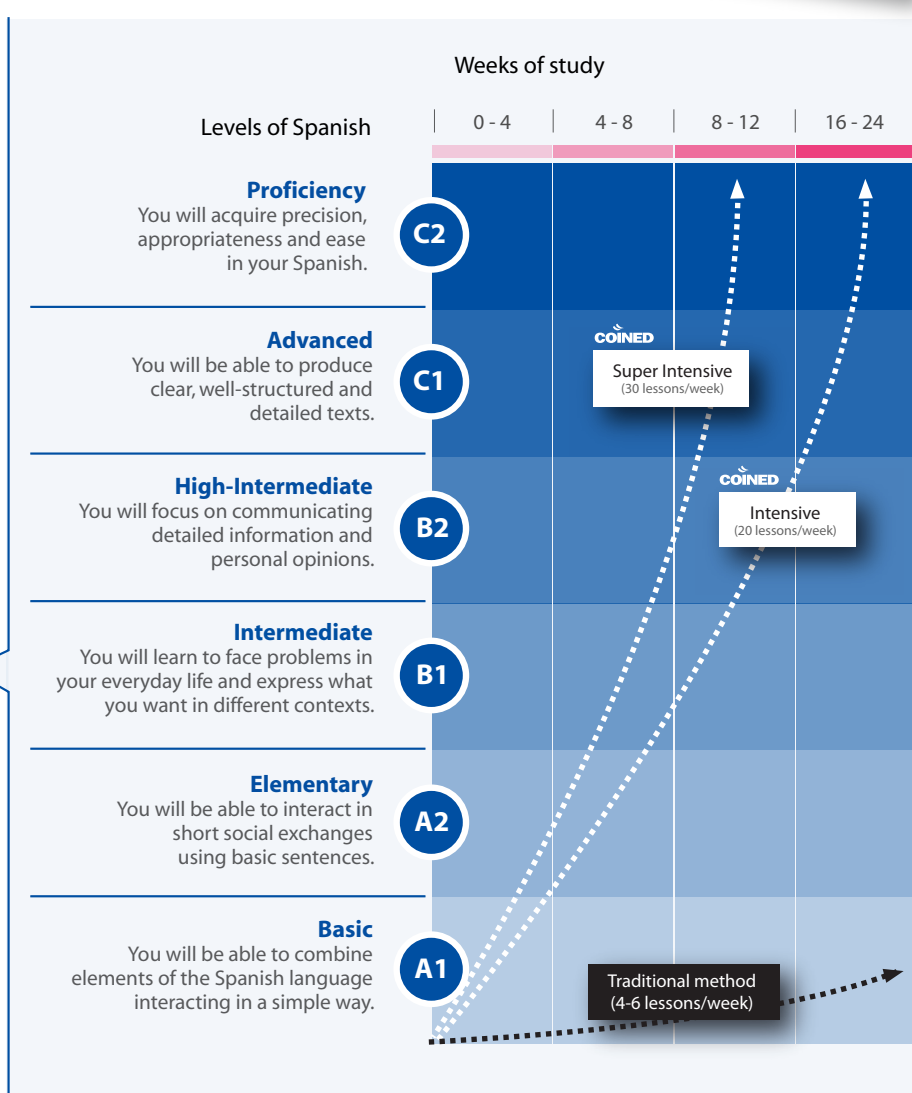

Levels of Spanish

COINED offers 3 different levels following the requisites and guidelines from the Common European Framework of Reference. Each level is divided into 2 sub levels varying from lesser to greater linguistic capability: Basic (A), Intermediate (B), Advanced (C).

Teachers profile

Our teachers are dynamic, friendly and incredibly motivated. Each school's academic coordinator selects them based on their education, teaching experiences, interpersonal and professional skills, cultural background, patience and enthusiasm.

Our goal is to help you develop the skills and concepts necessary to feel comfortable in any speaking situation.

General Courses

Acquire all necessary competences in a comfortable environment supported by helpful local teachers.

Intensive

The Intensive course aims at developing your communicative competences in the four main skills: speaking, reading, listening and writing. The lessons provide you contextualized grammar and expose you to the local culture. Teachers will assign you out-of-class exercises to reinforce the content of the lessons.

This course is complemented with extra-curricular activities and includes 20 to 25 Spanish Group lessons depending on the chosen destination.

Private

The Private course is designed considering your individual needs and expectations. During the course, you will be exposed to a wide variety of topics according to your schedule. It is tailor-made to your own personal needs and interests. It is perfect if you do not have much time to study and want to focus on a specific area.

Depending on what school you choose you can take courses from 10 up to 30 Private lessons.

Super Intensive

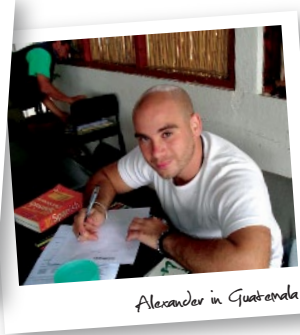

The Super Intensive course is meant to help you deepen your learning experience and to accomplish a higher level of proficiency of the Spanish language in a shorter time. You will improve your learning experience following the regular syllabus but with more lessons per week you will be able to work on your weak points and other topics of interest. You will embrace all areas of language on this program: reading, writing, speaking, listening and contextualized grammar.

This course can include 30 Group lessons or 20 Spanish Group lessons plus 10 Private lessons depending on the chosen destination.

Immersion

The Immersion course gives you the possibility of learning a language with a deep insight into the culture. You will develop the main skills of communication: speaking, writing, reading and listening, and the use of language in context and social appropriateness. The daily extra-curricular activities will help you become completely immersed into the culture, thus enhancing the acquisition process.

This course includes 20 Spanish Group lessons plus 5 Private lessons or 4 Group Cultural lessons depending on the destination.

Activities and Excursions

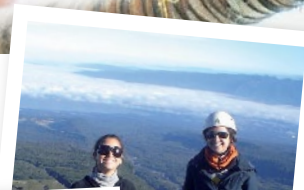

Whether visiting the popular Argentinean wineries, enjoying the sights of Monteverde's cloud forest or taking an excursion to get to know Guatemala's Atitlán Lake; you will have a great time enjoying activities that will help you embrace the Latin American Culture!

We know that cultural activities have a positive influence on students' intellectual involvement and on the acquisition of a foreign language. For that reason, we offer many cultural activities for you to have a great time in all our locations! Some of them are for free and others you'll have to pay.

Upon arrival, there is a welcome brunch and a city tour to introduce the students to the main local highlights. On top of that we organize at least two activities every week and a daily schedule of cultural events, including visits to theatres, museum and festivals.

Check out some of them!!

Córdoba

Traditionally wise

Córdoba is a picturesque and historical city located in the heart of Argentina. The nice weather and beautiful landscapes make of this city one of the most attractive tourist destination. Córdoba is known as "La Docta" because of its active intellectual university life that still continues to shape the history of this country in many ways. You can't miss visiting the Sierras with their huge mountains crossed by rivers and streams.

Our school

The school is in a renovated two-story house in the city centre, five minutes away from the main area. The school has a kitchen, a meeting room that can be used during breaks and free time and where students can enjoy coffee, tea, "mate", or mineral water. The school has 12 classrooms, a multimedia room and a colorful comfortable lounge area with computers and free internet access. In the summer, students like to hang out in the backyard where there is a pool and a barbecue grill or at the terrace enjoying a beautiful view of the city. The school has a maximum number of 7 students per class.

In comparison to other Latin American countries, Uruguay is tiny. But don't let the size fool you: good things come in small packages! Our Uruguay school is waiting for you! This country has a unique combination of open space and low population density ideal for those who like raw nature and want to have a taste of "gaucho" life.

You can also enjoy large sandy beaches, such as Brava Beach in Punta del Este or hectic metropolitan cities like Montevideo. **Learn Español while learning to dance the typical Candombe, playing soccer or drinking mate with friendly locals. Uruguay is definitely the ideal destination to start your Spanish course!**

Montevideo

A lost pearl

Montevideo stands out from other cities for the cosmopolitan style that permeates the city in the middle of a relaxed atmosphere. Art performances, ranging from music, dance, and theatre are continually updated and renewed. A wide variety of pubs, restaurants and bars are disclosed around the main square and discos are set, mostly, in the outskirts.

Our school

The school is located within a ten-minute walking distance from the city center and three blocks from the main avenue. It is also near the port, the most important in Uruguay usually very busy from October to April.

It has 14 classrooms equipped with TV, video and audio teaching materials, a comfortable waiting room, a nice kitchen and a computer lab with internet access. The school has a maximum number of 6 students per class.

Weekend trips

• **Jeep excursions:** Feel the adrenaline of an exciting adventure through natural surroundings and natural views. Students will eat lunch at a local ranch with natural swimming pools.

• **Boat trips:** Chat with local fishermen and enjoy a delicious fish barbecue.

• **Exploring the coast:** Students will travel along the coast to the border of Brazil and spend the night in local bungalows in a fishing village.

Cuba is an ideal spot to learn Español! Enjoy the atmosphere in which appears that nothing has changed since Fidel Castro's revolution: the classic American cars, cigar-smoking farmers, horse-drawn carriages, and colonial Spanish architecture stand all impassive to the frantic pace of modernization.

Cuba has paradisiacal sand beaches, vibrant nightclubs and laid back people. Come and find out what made Che Guevara fall in love with this land! Learn Español and rumba your troubles away!

Havana

Salsa spirit

Havana is the capital and biggest city of Cuba. It is rich in historical and cultural tradition and home of important international cultural events. The exquisite architecture of Old Havana makes it Americas' best-preserved colonial center. Enjoy taking a walk through shady plazas to the world famous Malecón.

Our school

The school is located in Miramar, a sophisticated and lively district in Havana. It is in a two-storey building in Miramar. Apart from the classrooms and offices there is a dance studio, a kitchenette and a student lounge. There is also an internet corner with two computers.

Dominican Republic

Caribbean jewel

Tune up to merengue's pace! Dominican Music and Dance Festivals make this place a delight to the senses; music comes from small shops, cars, streets, markets, everywhere!
The country shares the paradisiacal crystal-clear waters alongside golden sand beaches of the

Caribbean islands. Yet it can proudly claim to have virgin tropical jungles, cultivated savannas, huge deserted areas and everything you can imagine just within its small borders.
Come to study Español! We know you can already hear the hitting-coconuts sound!

Santo Domingo

A joyfull town

Santo Domingo is the capital city of Dominican Republic. It offers incredibly active and young lifestyle and a huge amount of entertainment opportunities.

Our school

The school is a typical Caribbean-styled building. It is surrounded by small, private gardens with beautiful terraces. The facilities include well-lit classrooms, communal rooms, terraces, and a comfortable cafeteria. The school has a maximum number of 7 students per class.
