

Learn Spanish & experience Cuban culture in La Habana ! 2009-10

Dip into the Cuban culture with CULTOURICA:

In Havana we offer you an exiting combination of personal intensive Spanish lessons with native teachers and at the same time dip into the everyday life of Cuba through an attractive cultural programme – carried out by former journalists, anthropologists and social scientists.

The lessons (individual or in small groups) take place in a small private school with Over 10 years of experience high above the roofs of the city with a fantastic view over the centre near the Plaza de la Revolution. You live in a family in spacious rooms or rent a flat or a hotel room for yourself.

In the morning you are learning in a three hour specially arranged schedule: Our favourite subjects are chosen from culture, history, politics and ecology of Cuba as well as of Latin America – choose the themes in which you are interested!

Good teaching material and audio-visual **media** are helpful. But most important are the **teachers**, who love to involve you in Cuban language and culture. If you wish we can arrange contact with a Cuban who is studying English for the purpose of exchange and practice (Tandem®-method). In the personal atmosphere of our private school learning is fun. The small groups guarantee, that the interests and the knowledge of all course participants are taken into consideration.

After lessons in school we **explore Havana** by bike and we see every day something new: the secrets of the old town of Havana, e.g. an old monastery, where the clothes of El Ché are restored, the Regla quarter on the other side of the harbour with lively Afro-Caribbean religions, the monuments and museums of the revolution, the locales and artefacts of famous personalities like José Martí or Ernest Hemingway, theatre or ballet or eating ice-cream in La Copelia and after that bursting into tears in the famous cinema Yara.

During the course you can plan with the support of your teachers your further trip to Viñales, Trinidad or Santiago – and so you can continue your dip into the fascinating Cuba.
Hasta luego!
