*Agata Kukla, Czestochowa, Poland.*

# Accommodation

*Host Families play a very important part in the success of our students' stay. They provide the best opportunity to learn about British culture and make more progress in English. People enjoy sharing their lives and interests with their foreign guests.*

## Your Host Family

Our families follow the English UK Code of Practice in accordance with the British Council and British Authority recommendations.

Families provide a comfortable heated bedroom and offer breakfast, packed lunch and evening meal. They will do some light laundry on a weekly basis if required.

We choose your family from the details on your enrolment form. It is very important that you write your requirements clearly. Most of our young students enjoy sharing their room with other students of the same age. It is possible to have a single room if preferred.

Families never have 2 students of the same mother tongue unless the students ask to share with a friend.

We select families for the comfort of their homes, their kindness and the quality of their welcome. Many of our families are personally known to our staff.

Families are within a walking distance of approximately 30 minutes/2.80 kms and on a bus route.

The host families work in close co-operation with the School in supervising the younger students and ensure that school rules and parents' wishes are respected.

If a student has any difficulties or problems with their host family, we will do our best to improve the situation and are prepared to change the host family, if necessary.

## Residential Accommodation

Although we believe family accommodation to be the best option for our students, we can provide residential accommodation for closed groups, large and small, in private residences or on the nearby university campus.

# VACATION COURSES

These courses combine language learning with an enjoyable holiday. They are also available throughout the year and can be adapted to suit closed groups of students from educational establishments and agencies. Details and quotes on request for groups.
