

Welcome to International Institute Australia

For many international students, studying English in Australia is the opportunity of a lifetime. Your decision to study English is not only an investment in your education, but also an investment in your future. Thank you for considering International Institute Australia (IIA).

At IIA, we are committed to helping you develop your English language skills to reach your personal, professional and academic goals. Whether you are learning English for the first time, or are continuing your English language studies, we offer innovative and quality English language courses, designed to suit you.

Our aim is to provide you with a stimulating and supportive language learning experience that develops the confidence and the skills you need to communicate effectively in English.

At IIA, we welcome students from many countries and a wide variety of backgrounds. We believe cultural awareness and understanding greatly enhances the language learning process.

We invite you to be a part of the IIA

MISSION STATEMENT

International Institute Australia is committed to helping international students develop the skills and the confidence to communicate in English and participate in the global community.

This is achieved by:

- ❖ creating a positive and supportive learning environment in which students are encouraged to take advantage of all opportunities to improve their skills.
- ❖ delivering quality educational programs and services which reflect the organisation's ongoing commitment to ethical business practices.
- ❖ valuing and respecting the cultural diversity and varying needs of all individuals within the wider college community.
