## Kings English courses at a glance

### Intensive Course:

This, our most popular course, is designed to maximise your fluency in as short a time as possible, and to introduce a range of specialist subjects taught in Special Interest Groups.

### Diploma of English:

This long-term course is the best value way to achieve real fluency, gain specialist subject knowledge and enjoy a memorable college year or semester abroad.

### Compact Course:

A broad General English course which is specifically designed to improve your overall language skills whilst giving plenty of free time for work or fun.

### Cambridge Exam Courses:

These courses are specifically designed to prepare you thoroughly for all papers in the Cambridge exams – the best known and respected formal qualifications in English. You'll focus on exam techniques and practice.

### IELTS Preparation Course:

This intensive course of 28 lessons per week is intended to develop your general language skills while also providing specialist preparation for the IELTS exam.

### Super Intensive IELTS:

This full-time, very intensive course concentrates 100% on IELTS preparation and is designed to prepare you thoroughly for the exam in as short a time as possible.

### TOEFL iBT Preparation Course:

This course will prepare you thoroughly for the TOEFL exam. Exam practice and technique are vital parts of the course. TOEFL is recognised by more than 7,500 colleges, universities and employers.

### Test Preparation (SAT, GMAT, GRE):

For students wanting entry to a U.S. university and, in addition to a general English course, need specialist preparation for the examinations required for Undergraduate or Graduate programmes.

### Pre-Masters:

For students who want a direct path to postgraduate study at a leading UK university, and who need the appropriate language level and study skills to ensure success.

### English Plus Art and Design:

This course is for students who need to improve their English while preparing a portfolio of artwork. It combines General English with specialist art and design-related disciplines.

### English Plus Tourism and Hospitality:

These courses combine English with a general introduction to Tourism and/or Hospitality. Students can follow either course individually or both courses consecutively.

### English Plus Film Studies and Filmmaking:

This course, taught in conjunction with AMDA, is for students who want to combine English with the study of film including film history, script writing, acting and production. It also includes practical filmmaking skills. All this right in the heart of Hollywood – the film capital of the world.

### English Plus Music:

If you want to learn English while studying music, this course is for you. General English is combined with aspects of music performance (instrumental/voice) and music composition (songwriting/musical theatre). The course will also cover the history of American music, including jazz, blues, folk, musical theatre, and contemporary rock.

### English Plus Business and Finance:

This course is ideal for students who would like to improve their English skills for use in a wide range of business and financial contexts. It combines General English with specialist Business and Finance-related topics and the option to prepare for the Cambridge ICFE and BEC examinations.

### English Plus Law:

This course is ideal for students who would like to improve their English skills for use in a variety of legal contexts. It combines General English with specialist law-related topics and the option to prepare for the ILEC exam.

### Vacation Course:

This flexible, great value summer course offers a combination of English language lessons and a programme of optional sports and activities, plus a weekly excursion (included in the UK and at extra cost in the USA).

### Vacation Extra:

With its organised activities programme and close supervision, this all-inclusive summer course is ideal for students aged 14+. It includes tuition, sports, excursions and all meals.

### Vacation Plus Film:

This exciting summer course combines English lessons with an introduction to film production – right in the heart of Hollywood, the film making capital of the world!
