

Activities program – The city of San Sebastián

Orientation Tour San Sebastián

A panoramic walk OR bike along La Concha Bay until Monte Igueldo where we will take the cable car to the lookout. Once there we can enjoy the fantastic views of the city, its surroundings and the amusement park situated at the top. Later we will visit the famous "Peine Del Viento" (the Comb of Wind) at the base of Monte Igueldo.

Bar hopping: Poteo & Pintxos

An ideal (and traditional!) activity for adults. We will visit 2 bars where each guest will enjoy a standard drink and the bar's 'pintxo' speciality. This traditional 'poteo' formula stimulates conversation so you end up talking to everyone.

Museo de Sidra

In a village close to San Sebastián we will visit the cider museum which show the history of cider using computer panels, interactive materials pictures and games. We will explore the past, the present and the exciting future of this apple product and its cultural importance in Euskal Herria.

Picnic on Santa Clara Island

We will cruise La Concha bay by boat and go to the little Island of Santa Clara. Here we will enjoy the views, take a short walk around the island and have a delicious picnic on the island before we returning back to the mainland.

Chocolate with churros

We will go in to the old part of town to have some delicious chocolate with churros, a treat for that sweet tooth in all of us. This activity can be added to any other activity.

Hondarribia

We will visit the typical fishermen village situated on the French / Spanish boarder. We will walk through the streets of the old quarter and the marine quarter. Afterwards, we will walk down the promenade to the harbour to take in the scenery and have a refreshing drink one of the streetside cafes.
