

French language and cooking

Intensive course + 2 cooking workshops per week at a professional school. Available year round.

In the **morning French Intensive course** of 20 lessons per week in group, students will deepen their competence in all four skill areas of French language. In the **French cooking workshops***, students will learn to how interpret French recipes in preparing classic and creative dishes à la Française, hands-on with a professional French chef. At the end of each cooking course, students will sample the meal they have prepared in a convivial setting.

Dates 2012

The combined French & Cooking courses start every Monday all year.

Prices

+ Registration fee = **60 Euros**

2 weeks - 40 French lessons + 4 cooking workshops = **670 Euros**
