

WELCOME TO LIVE LANGUAGE

Live Language is a small, friendly language school in Glasgow. Our focus is on adapting quickly to individual student needs and styles of learning.

Our school has been accredited by the British Council since 2006 and was awarded Highly Trusted Sponsorship status by the UKBA in April 2011. We are also an accredited SQA exam centre. Live Language has Investors in People status, reflecting the investment we put in to our greatest resource, our staff. We pride ourselves in having a professional and friendly team of qualified teachers and support staff. This allows us to focus on what is important to you - a professional and prompt service – essential ingredients for building good relationships.

Live Language receives students from all over the world (37 countries at the last count) so our classes have a good mix of nationalities. We keep our class sizes small so teacher-student contact is maximised. Our lessons are designed to be communicative and interactive so your confidence in using the language in real situations grows. We don't believe in lecture style lessons.

The school is located in Charing Cross, close to Glasgow University and the vibrant West End, with its university, museums, shops, restaurants and bars. Students love our beautiful old school building, which is architecturally and historically important, as well as its fantastic location.

Students, businesses and agents have been pleased with the quality of service and attention they have received from Live Language. We hope that you choose to join us in the future, and can experience our excellent service for yourself.

Best wishes,

Adell Mitchell
School Director

ACADEMIC SUPPORT TUTOR

We have a dedicated tutor who can provide additional learning support. The tutor is available to help you with any problems you may be experiencing with the class activities or can provide additional practice materials and opportunities. REGULAR TALKS FROM CHARITABLE ORGANISATIONS
