# LSI San Diego Young Learners' Program

International Winter and Summer Programs for 11-13\* and 14-17 year olds

## Description

The LSI San Diego Young Learners' Program offers an excellent opportunity for students to develop their English skills, make friends from around the world and explore this Southern California city. It is guaranteed to be an experience they will never forget!

The winter course is based at our Young Learners' Center at our downtown LSI San Diego School. *16 and 17 year old students may be able to join our adult program.* \*11-13 year olds must come in accompanied groups on the summer campus residence program only. The Young Learner program includes English Language Course Tuition, full board accommodation in a twin room and an exciting social program with regular excursions and fun activities. Students will get the chance to practice their English with people from around the world.

## LSI San Diego

Our English language and activity courses offer the chance for juniors to study English and learn about American life in a safe and caring environment at a school that places a high emphasis on personal service. The school is a modern facility and is located in a commercial area on the edge of downtown San Diego and within easy reach of the San Diego Zoo, Sea World, Balboa Park, the beaches and many more of San Diego's famous attractions. Our teachers are qualified and experienced at teaching English to school age students. They understand the challenges faced by young people staying in a foreign country away from their parents for the first time. They are also sensitive to parents' concerns and worries as well! Classes take place in the mornings and have a maximum of 15 students. English tuition is provided for 15 lessons (of 50 minutes each) per week. Lessons place emphasis on speaking and discussion skills. We aim to build up students' confidence and ability to use English through enjoyable, authentic situations that we devise from real life scenarios. Each student is graded and awarded a certificate that states their proficiency level upon completion of their course, provided that all requirements are met.

## LSI San Diego Summer Campus Program at San Diego State University

Our Young Learners' Summer Campus Program is located at San Diego State University – a beautiful, dynamic campus with excellent facilities, such as athletic fields and an aquatic center. Classes, activities, and residence accommodation will all be on campus. \*11-13 year olds (summer only) must live in the residence on campus in groups accompanied by group leaders or live with a parent or guardian off campus.

## What Makes Our Young Learners' Program Special?

- **San Diego:** An exciting Southern California beach town with much for students to learn about and enjoy both in and out of class
- **Experienced Teachers:** Qualified to teach English as a foreign language and experienced with children
- **Communicative Teaching Methods:** Lively, real life situations
- **Varied Activities Program (entrance fees included):** Sports and cultural excursions giving the children the chance to mix with other nationalities and learn about the USA and its customs
- **Full Time Social Leaders:** Organize and accompany activities and excursions
- **Full Day Weekly Excursions:** Visit attractions such as the San Diego Zoo, Sea World San Diego and more!
- **Supervision & Welfare:** Individual care and attention to each student. Throughout the program, all students are fully supervised by qualified and experienced teachers and staff.
