Our Approach

Chamber College represents quality and academic excellence, offering an extensive range of year-round English language courses which cater for a wide range of student needs.

Our Teachers

Our academic team is made up of extremely motivated and committed professionals. Our teachers are not only employed for their teaching abilities, but for their dedication and excellent personal skills.

Our Method

We constantly endeavour to improve students' communicative competence with specific focus on the four skills, i.e. Reading, Listening, Writing and Speaking. With these skills students also learn related sub-skills, through which they encounter and practise grammar and vocabulary. Particular emphasis is placed on pronunciation and spoken and written discourse. This is because we believe that a sound foundation in the functions of the language provides a solid platform for successful communication.

Our Resources

We provide up to date tools and resources and use the latest technology to ensure effective learning. Our course books apply modern teaching methodologies which offer current, relevant topics which appeal to diverse interests. Structured lesson planning ensures progression, continuity and academic achievement, irrespective of whether students book short-term or long-term courses.

Our Academic Support

Our teachers encourage students to practise the language in an engaging and motivating environment, adapting interesting materials and resources relevant to their needs and which reflect real-world situations. At Chamber College we encourage student interaction at all times in order to promote student autonomy, thus maximising every student's learning experience.

Ongoing Academic Support

At Chamber College we are committed to providing students with a holistic learning experience. As part of our academic programme we offer students the following ongoing support:

Level Tests

Held every 4 weeks to monitor students' overall performance at their current level. Students achieving 70% or over in their level test are ready to progress to the next level.

Individual Student Reports

Based on the latest level test these individual reports ensure that students are aware of their strengths. Instructors also recommend areas to work on for further development.

Tutorials

Weekly tutorials are held by our Academic Tutors on a one-on-one basis. Students are given the opportunity to discuss specific problem areas and how best to overcome their difficulties.

Writing Clinic

Provided weekly on a one-on-one basis. Students are invited to bring in a piece of their own writing to discuss with a tutor who helps the student identify areas for improvement.

Conversation Club

1-hour social conversation sessions held weekly simulating real-world communication. Students are given the opportunity to interact with other peer-groups of similar levels by engaging in authentic, topic-based conversation.

Reading Circle

Weekly 1-hour sessions. Reading Circles are stimulating in that they combine the skills of reading, writing, speaking and listening through analysis of a variety of texts. In these sessions students are encouraged to support their arguments, share their opinions and exchange ideas.

Exam Preparation Courses

Chamber College offers exam preparation courses for the Cambridge ELA suite of exams(PET / FCE / CAE / CPE), IELTS, TOEFL and TOEIC. These are English language qualifications recognised by universities, colleges and employers across the globe. These examination classes prepare you in all aspects of academic skills and help provide you with the confidence you need in order to improve both academic and professional communication. We recommend that candidates should commence their exam preparation course at least 8 weeks prior to exam date. This is to ensure that students allow adequate time for training in exam strategies, academic skills and sub-skills and upgrading their global language skills.

Each exam preparation course is based on a core outline:

- Test-taking strategies
- Vocabulary development aimed at specific exam components and themes
- Regular skills practice targeting Listening, Speaking, Reading and Writing
- Diagnostic, Progress and Simulation Tests based on authentic past papers

IELTS

IELTS (International English Language Testing System) assesses the ability of candidates who study or work with English as the language of communication. Students sit for all four modules which involve Reading, Writing, Listening and Speaking. The IELTS preparation course focuses on the skills and techniques required to familiarise candidates with the various formats and test-taking strategies. Participants practise different language task-types through a variety of activities, simulations, project work and assignments.

During this course you will:

- Practise test-taking strategies
- Learn important vocabulary required for the IELTS exam
- Practise exam techniques regularly for the 4 sections of the IELTS exam
- Practise interview skills, long turns and turn taking strategies necessary for the IELTS speaking elements
- Complete sections from authentic past papers

Love where you live

Host families

Living in a Maltese home is the highlight of many students' stay in Malta and lasting friendships are often made with host families. Our host families are carefully selected to ensure that they provide a 'home away from home' for our students. They are chosen for their openness and their ability to provide the facilities their guests are used to at home. All host families are experienced and licensed by the Malta Tourism Authority.

Students have the option of booking this type of accommodation on half-board or full-board basis.

Hotels

If you are looking for the convenience of a hotel Chamber College can organise your accommodation within walking distance from the school.

Whether you are on a budget and prefer staying in a two star hotel, or whether you are a company executive and require the comforts of a 5-star hotel, we will help you choose the best option for your stay in Malta.

24 hour Airport Pick up

On arrival our airport representative will welcome you to Malta and Chamber College!

I have visited a number of European countries, but Malta is great. I learned a lot in a short period of one month. I met wonderful people and the Language training is fantastic. The residence was beautifully clean and well maintained. Thank you Chamber College team.

POLAND

MAGDALENA
23 YEARS OLD

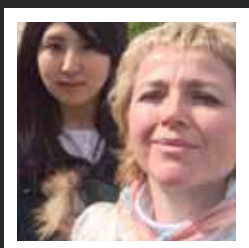

While I was looking for a perfect school I came across Chamber College. I took a lot of classes at Chamber College – general, intensive, business and one-to-one. It was amazing to see what a big improvement I had made! We had a lot of interesting topics during classes, a lot of debates and the lessons were very enjoyable and time went too fast during these lessons. The classrooms are very modern with interactive boards and the school is located not far from the seafront and center. Choosing Chamber College was the best decision of my life and it was the best option of investing money. Thanks to this experience I am a different person. I believe in myself and I am a more self-confident person now.

During these 6 months I have had great and fantastic experiences, because I met and lived with wonderful people of different nationalities, I had always wanted to have experience abroad and thanks to you I could do it. Another important thing was I learnt new things I had never known. The methodology you used was good and the teacher level too. This seemed very interesting to me because you gave me the tools to improve my skills and I'll use this in my profession. Finally in my personal opinion I like being in Malta, it is a beautiful place with fantastic seas views also, the people are kind and friendly, I especially like the beaches a lot. Thanks for everything, I really enjoyed it.

OLGA
46 YEARS OLD

My experience at Chamber College was really positive. First of all I met a lot of interesting people from different countries. It was so attractive: cultures, ages, professions, past life, knowledge and skills. The school has an easy friendly atmosphere and I could see how people revealed their best -the service and the college teachers behaved like kind doctors in a good clinic! Students quickly begin to use their knowledge of English for communication and we spent a lot of time together. During lessons and coffee breaks, we had opportunities to develop and improve our English. We wanted to talk a lot and only in the English language and the desire to learn was encouraged.

Chamber College is a really good school to study English. They have good teachers and a good education system. And they have many programs for us to enjoy Malta. Every Wednesday there is a Welcome party which is really good - you can enjoy music and dancing with your friends. And you can enjoy many summer sports. Every member of staff is very kind, they help make your life in Malta easier. If you choose Chamber College you can learn good English and enjoy Malta.

TESTIMONIALS

At Chamber College we work hard to enhance the English learning experience through our leisure activities. You will find an exciting programme with a variety of activities, excursions, sightseeing tours and fun-filled events. This gives our students the opportunity to use English outside the classroom.

“Our programme of extra-curricular activities provides adult students with the opportunity of using English while getting to know the Island and its people.”

TOP 10 highlights:

1. **Majestic Valletta** - “A city built by gentlemen for gentlemen” (European capital of culture 2018)
2. **The Megalithic Temples UNESCO World Heritage Sites** – Ggantija Temples, Hagar Qim & Mnajdra Temples, and the oldest of all - The Hypogeum - which is the 4th oldest site in the world.
3. **Comino** – The crystal clear waters of the Blue Lagoon are a paradise for any water enthusiast.
4. **Mdina** - The medieval jewel formerly known as Medina, Citta Vecchia or Citta Notabile, the old fortified capital of Malta, which has remained untouched over the ages.
5. **Sun, Sand and Sea** – Malta boasts some of the clearest, cleanest and most natural beaches in the Mediterranean.
6. **Gozo (Malta's sister island)** – Take a quiet, scenic journey around an island where time stood still.
7. **Mediterranean Cuisine** - A fusion of exotic flavours that whet the appetite.
8. **The Traditional Village Feast** - At the heart of the Maltese culture is the annual and much anticipated village ‘festa’, held in every locality and providing a mix of local delicacies, street entertainment and fantastic fireworks displays.
9. **Country Walks** – Malta offers the perfect climate for those who enjoy walking and experiencing the Maltese countryside.
10. **Marsaxlokk** – Visit the picturesque fishing village to the south of the Island and experience the exciting sounds and smells of an authentic local market.
