Testimonial: Ji Eun - Korea

I am very sad to leave Language Schools New Zealand and Queenstown, the paradise. I did many activities, such as horse riding, canyoning, canoeing, mountain biking, watching rugby games, gondola and luge and sky diving! They were so exciting! I enjoyed the class a lot. I learned many things in a fun way. All the students enjoyed studying English. My teacher was good and had a great passion for his job. I felt as if I was a very special student there.

My teacher is excellent at Language Schools New Zealand. He can teach and entertain people. So I don't want to miss any classes. We also have nice activities out of class such as mountain biking and going to other towns and cities. My homestay is a lovely family and they try to make me feel as if I was at home. They always ask me to join in their weekend activities. Come to New Zealand! The people are very welcoming and the country is too beautiful! You'll enjoy it!
