We at IIC are glad to welcome you. Since 1994, we have accompanied thousands of participants from around the world to learn Spanish. **Benefit from our experience, and the Caribbean flair of the Dominican Republic** will set the ideal frame to let you **enjoy your IIC Spanish course program.**

## THE PROGRAM

### All levels year round

IIC Spanish courses range from one week to several months. They are available at both schools for all language levels: from beginners to advanced students (A1 to C2). We follow the Common European Framework of Reference for Languages (CEFR).

### Course types

You can sign up for **Group courses** (max. 7 students) or **Private classes** with 20 to 30 lessons per week. **"Spanish PLUS"** combines both course types. It is designed for those students who like to learn in groups, but also want to intensively work on their individual Spanish skills.

Folkloric Dance in Santo Domingo

**"Spanish & Culture"** provides an explicit understanding of the Dominican culture. The course combines 20 lessons of Spanish group course with 2 extra hours of cultural classes per week on various topics.

Customized trainings for work purposes like **Business Spanish, Medical Spanish etc.** are individually designed and provided in form of private tuition. Our **DELE Exam Courses** will

help you to be prepared for taking the internationally recognized DELE exams.

**Spanish & more:** You like Latin music and dance? Then combine your Spanish course with **dance lessons**. Or take advantage of your unique surrounding and enjoy learning an exciting new sport like **scuba diving, wind or kite surfing** while studying at IIC. Also, don't miss the opportunity to **get involved** in different community programs with local NGOs through our program **"Spanish & Volunteer Work"**.

We offer customized **study abroad programs** and language travels for universities, high schools & non-academic groups.

Programs include Spanish classes, room & board, transportation, and a complete leisure time program including cultural activities and excursions to get to know country & people.

### Course Concept

Our key concern is to **encourage you to speak from day one on**. Specifically designed study material is used, supported by modern

audio-visual media, to help you improving your speaking ability. The **grammar basis** of our concept is the Standard Spanish (Castellano); the linguistic differences to Latin American Spanish are pointed out in class. Our experienced and academically trained teachers are native speakers who are highly qualified in the field of teaching Spanish as a foreign language.

## IIC SPANISH COURSE PROGRAM 2017

### THE COURSE PLACES Santo Domingo

With a population of more than 2.5 million inhabitants and a 500-year old history, the capital of the Dominican Republic is **the cultural and economic center of the country**. One encounters the **historical face of the city** in its colonial district, Zona Colonial, which is a UNESCO World Heritage Site since 1990.

Museums like the "Museum of Modern Art" or the many art galleries in town show the modernity of Santo Domingo.

At day the city is one of the grand shopping bazaars of the Caribbean offering hand-wrapped cigars or jewelry made of Larimar or Amber.

At night it is filled with Merengue and Bachata rhythms. Dance enthusiasts can choose between going to a club or to typical dance place, often with live music played there. **Sunday nights the locals** get together for music & dancing at "Las Ruinas de San Francisco", the remains of the first monastery of the New World.

### Sosua

Sosua is located on the north coast of the Dominican Republic, only 10 min driving from the International Airport of Puerto Plata. The small coastal town, home to 12,000 inhabitants, is known for its beautiful beaches and water sports facilities. Due to its central location between the mountain

range of the Cordillera Septentrional and the Atlantic Ocean, Sosua is **the ideal place for all nature and sports enthusiasts** who like to discover the Dominican countryside or wish to combine studying Spanish with leisure activities such as swimming, surfing, scuba diving, horseback-riding, playing golf (and more).

Only 15 minutes east of Sosua is **surfer's paradise Cabarete**, one of the best wind- and kite surfing spots in the world.
