

### **Improve your English to fulfill your academic dreams through GV Hawaii's UPP!**

Global Village Hawaii has pathway agreements with quality post-secondary institutions in Hawaii and throughout mainland USA. Students can receive counselling and assistance regarding university and college applications from our knowledgeable staff. We are also happy to coordinate with agents to create the best possible study plan for each individual student, and to assist with the communication process between agent/student and the college/university.

Preparing for University or College demands a high level of academic English. This involves developing a strong command of academic reading, note taking and lecture skills, and of course, academic writing and research skills. The University Pathway Program combines 20 lessons per week of General English studies with a five lesson per week Option class to strengthen academic readiness.

Decide on your English study period as well as your desired college/university and we will help with the rest! **Contact GV Hawaii now to reserve your spot in this University Pathway Program at [hawaii@gvenglish.com](mailto:hawaii@gvenglish.com)**

**Students who score into level 7 of GV Hawaii's General English Program will be accepted into any of these University Pathways institutions as proof of English proficiency and will receive a conditional letter of acceptance from the institution.**
