THE EUROCENTRES SUCCESS SYSTEM

Personalization

All Eurocentres Canada and Eurocentres San Diego students receive close individual attention, including:

- * Level test including a personal interview upon arrival
- * Personal feedback about entry test and recommendations for self-study
- * 12 - 13 students on average per class
- * Continuous monitoring of learning progress and diagnostic feedback
- * One-to-one counseling (learning goals discussed weekly)
- * Weekly tests, revision lessons and self-study recommendations
- * 2 lessons per week in Learning Centre/Computer Lab
- * Continuous checks to ensure student support and satisfaction (First and Final Week Questionnaires & weekly check-ins)
- * Optional Study Club for personalized and focused attention on individual learning needs
- * Final Certificate accurately describing language ability in all areas

Specialization

The Basic (Core Program) Course is offered in the morning. In this course we focus on laying a solid foundation in Language

Development (grammar, vocabulary, idioms, pronunciation) and English Skills (listening, reading, writing and speaking). As there are many areas to cover in a language, you can choose optional subjects in the afternoon such as:

- * Exam Preparation: Cambridge, TOEFL, IELTS, TOEIC
- * Business English
- * Academic Preparation
- * Fluency

Online Platform

All students have access to our online learning platform to help them achieve their language goals and monitor their progress as they study. This service is especially useful for students who are finding one specific skill, for example writing, particularly more difficult to improve on as they can focus on individual skills and learning targets. This blended E-learning system supports the practical development of communicative strategies, vocabulary, grammar and other English language functions and skills through lessons, tutorial, teachers support and online assignments.

ACCOMMODATION PROGRAM

Homestay

Qualified and welcoming families provide students with private rooms, a place to study and the experience of living with a North American family. All host families and residences have been carefully inspected and are monitored on an on-going basis by our on-site Accommodations Coordinators to guarantee students a positive experience wherever they choose to stay.

Students have the option of full or half board. We adhere to a policy of one student per language per home. All of our host families have been trained and counselled on welcoming international students into their families. We monitor our homestay program to guarantee that all students have positive experiences and during the first week of school alone, we check in with students on three occasions to ensure that they are happy with their family.

Residences

With at least two options in each city, residences allow students to enjoy independent living conveniently located close to their school. In Toronto, students may choose from the Alexandra Hotel and the CCNM and other seasonal residences. Vancouver students may choose from the YWCA and Viva Suites. San Diego students can choose from Vantaggio Suites and Pinnacle on the Park. In addition, Bay Pointe apartments are another option located close to the beach.

Other Accommodations

Hotels, bed & breakfasts, apartments or other accommodation arrangements can be made upon request.

Airport Transfers

Trained airport staff provide a warm welcome when you arrive at the Vancouver, Toronto, or San Diego airport. The airport staff will ensure your safe transfer to your North American home. Airport drop-off is also available to ensure a comfortable and worry-free trip to the airport.

Eurocentres San Diego has a great relationship with students. I feel like I am part of a family. Soon Mo
