

Social and Cultural Programme

IH Bogotá organises a varied programme of social activities for our Spanish students. These include welcome breakfasts, guided visits and excursions to places of interest in and around Bogotá, films in Spanish, concerts by local musicians, and exchange evenings at which students can meet and talk with some of our other students who are learning English in the school. We also take students out in the evening to experience some of Bogotá's unforgettable nightlife.

Most of these activities are included in the course fee. However, please note that entrance fees and transport costs (where applicable) are not included and students will therefore have to pay for these themselves. All students are given a copy of the social programme planned for the following 2-week period when they arrive.

We also organise full-day excursions to towns and places of interest outside Bogotá. These excursions are organised at least once a month. Please note that for these full day excursions outside Bogotá we charge a supplement to help pay for the cost of the coach and guide.

A typical 1-week social programme might read as follows:

Week 1

Monday	Welcome to IH breakfast
Tuesday	Visit to the Archaeology Museum
Wednesday	Colombian Movie
Thursday	Salsa Classes
Friday	Visit to Monserrate
Saturday	Full-day excursion to Boyacá - "El Dorado"

Included:	Spanish guide with experience teaching Spanish to foreign students.
Not included:	Entrance fees and transport costs (where applicable).

Additional Activities

We will also help students plan their own social activities if they want to do something extra like going to a movie, listening to live music, hiking, etc.
