Relax and Learn!

Welfare

Our students are our top priority and this is the reason why our aim is to provide support and assistance to make them feel at home.

Specialized Officers:

Students are told on their first day who members of staff are and their roles. Our juniors will have a designated Safeguarding and Welfare Officers who they can talk to if they need help/advice. These Officers will live on-campus and can be contacted at any time by our parents and juniors.

Colour coded lanyard system different for junior students, group leaders, teachers and our Safeguarding and Welfare Officers.

All staff:

All staff are DBS checked
All staff undergo Safeguarding and Health and Safety training
Our teachers are first aid trained

Registration policy:

Registers taken at intervals throughout the day
Students must sign in/out if they leave the site and must note who they are leaving with.

*"I have had a lots of laughs and good moments here at MCSE.
I hope future students have as much fun as I did. Thank you for
everything and goodbye."*

Etienne, from France

*"I am glad I sent my child to MCSE Summer School, he found
it so much fun with great experience and education!"*
