Study long-term

The benefits are clear

Just like our students Chieza, Eduardo and Riku, if you follow the 24+ week Diploma of Intensive English course, you'll get all these extra benefits:

1. Free IELTS/TOEFL/ Cambridge exam fee

For all students who study for 24+ weeks – make your achievements official with a globally recognised exam qualification.

If you study for 12 weeks or more you will be examined weekly on class content and will sit 6-weekly level tests to track progress. You'll also meet with a senior tutor every 6 weeks on a one-to-one basis to discuss your progress and goals.

3. Multi-destination study

Take the chance to live in two different cities, or even two different continents! Our academic team works as a group, so you can start and finish in any Kings location.

4. Ultimate value for money

The longer you study, the cheaper your course becomes as the weekly course price for long term study is significantly lower.

5. Complete cultural immersion

Take time to feel completely at home in your new city, mix with locals and really feel at home

6. Personalise your course

Take a wide range of Special Interest Group classes – studying long term will allow you to study a variety of SIG classes to improve your language skills and fluency in many areas of interest.
