

Life skills & adventures for young learners

Embassy Summer is a global leader in providing rewarding summer programmes for young learners and young adults. At our centres across the UK and North America, we provide 15 hours of English language tuition per week, a full range of challenging and fun activities, both on-and off-site, as well as memorable excursions to iconic attractions.

NEW for 2019!

Our NEW Toronto centre is located at York University about 30 minutes by metro from the city centre. Everything you need is within easy reach on this modern campus, providing a perfect base for a Canadian summer school experience.

More than just English language

We believe that our students learn as much from our social programme as they do from their time spent in the classroom.

Our social programme is based on activities and excursions that are shaped to support development of six carefully selected Life Skills.
