The +5 classes are extra daily workshops covering culture and current events, where you will be able to gain a deeper knowledge of Spanish. For this reason we integrate a variety of skills in the classroom, and combine diverse tasks and activities in which the student is at the center of the activity. There are 6 levels/exams, from A1 to C2. Don Quijote is an official DELE examination center and offers DELE preparation courses at all our schools in Spain and Latin America. You can either prepare for the official DELE Exam with our Intensive DELE 20 Exam Preparation Course (group or private classes) or take the DELE 30 Exam preparation and add ten private DELE preparation classes to your Intensive 20 Spanish Program.

Furthermore, if you take a 12-week Spanish course in addition to the 4-week DELE 20 Exam preparation course with at least 90% attendance and end up not passing the exam (at the same level of your course) then we will give you an additional 4-week course for free and pay your re-examination fees! A very high percentage of our students pass these exams with great success.

CHAMBER OF COMMERCE EXAM PREPARATION

This exam is officially recognized by the Chamber of Commerce of Madrid and the University of Alcalá. It has considerable international value, giving you easier access to the job market and boosting your career potential in business.

If you are interested in obtaining a recognized qualification in Spanish Business, don Quijote offers you the opportunity to prepare this exam through a 4-week Intensive Business Spanish course (see page 28 for more information).

SIELE EXAM PREPARATION

SIELE certifies students’ Spanish language proficiency through four tests that evaluate different linguistic skills: reading comprehension, listening comprehension, written expression and interaction, and oral expression and interaction. Scoring corresponds to the European Council’s Common European Framework of Reference for Languages (CEFR).

You can take either the global exam which certifies for all four skills or the individual exams which certify each one. You can prepare for the official exam with our 2-week intensive SIELE Exam Preparation course. Tests are taken online.
**PERSONALIZED PROGRAMS**

**ENGAGE AT YOUR OWN PACE**

**PRIVATE ONE-TO-ONE CLASSES**

Short of time? Eager to accomplish as much as possible in a limited time frame? Opt for a personalized program and learn at your own pace. In these private classes, neither you nor your teacher will have to consider the pace or interests of other students as you would in a group course.

Students will receive personal attention from beginning to end. Your advisor will analyze your goals and create a personalized program with specific content and additional activities that may include excursions, tours, visits, etc. For private classes on specific subjects, we would be happy to prepare content on literature, business or any other subject with advance notice. You may also invite a friend or partner to take part in your private classes.

Our private One-to-One classes are fully personalized and give you the opportunity to establish your own schedule and pace of learning. These classes are excellent for improving and progressing in specific areas, such as phonetics or reading comprehension and vocabulary.

Our semi-private classes, with only two or three students at the same language level, offer you the intensive teacher attention you want and help you fill in specific gaps in your language skills. Come with your friends or family members and you will have the chance to personalize your Spanish-language learning to your own academic needs and schedule.

Your first time living abroad? Would you feel more secure knowing that someone will be waiting at the airport to take you to your new home? You can reserve a 24-hour private pick-up service at an additional cost if you prefer to be picked up directly from the airport, bus, or train station. Just let us know in advance and we will be there!

Comfortable accommodation is an essential part of your study abroad experience. We understand the importance of having quality accommodation while you study abroad. We understand that something as simple as a broken shower can ruin an otherwise perfect day and distract you from what you are here to do – learn Spanish. We’re here to make you feel cozy, secure and right at home.

100% satisfaction
You may change to a different family during the first week if you are not satisfied, because the most important thing for us is that you feel at home.

Total independence
You will always be given your own keys so that you can come and go as you please.

Personal wishes
Are you a vegetarian, allergic to house pets or would you like to be placed in a family with young children? These and other personal preferences should be communicated as soon as possible and we will do our best to comply.

Fully equipped
In selecting host families, we do not look for luxury and comfort in the material sense. Nevertheless, you can count on personal attention, help and advice. You should not expect too much luxury in a student apartment/flat either, although, you will of course have all the necessary amenities.

Less than 30 minutes
Your accommodation will be located very close to your school. We have several shared apartments and residences available in most cities which are all just a 5-15 minute walking distance from the school and are all located in the best areas in the heart of the city. Host families are located a maximum of 15 minutes walking in small cities and 30 minutes in large cities from the school, either walking or by public transportation.
Most of our host families have worked with us since the very beginning, which says a lot about us. The families know from experience what the role of a good host is. Accommodation with a host family allows you to get the most out of your program by truly integrating yourself into local life. Experiencing real Spanish life everyday will help you quickly improve your Spanish skills. The word "family" should not be taken too literally because your family could be a single parent who takes in students because he or she enjoys the company or any other type of family. Also, keep in mind that many families live in apartments/flats rather than houses. Students will have their own keys so that they can come and go as they please. Also, phone calls can be received during your homestay.

Choose from accommodation with half board (breakfast and either lunch or dinner) or full board (breakfast, lunch, and dinner). Lunch is normally around 2 p.m. and dinner is usually served around 9 p.m. Keep in mind that eating customs and cuisine may differ greatly from your regular habits.

This type of accommodation is ideal if you want to maintain your independence and enjoy a touch of ‘luxury’. In every city, there are rooms of varying sizes and apartments from studios to multi-bedrooms.

Apartments are fully furnished and equipped with a kitchen, bathroom, and all the necessary facilities. Internet access and Wi-Fi upon request. These apartments are located in the cities’ most central and fashionable districts.

Hotels are the best option for the urbanite and for those who love comfort. Our staff will be happy to share their knowledge of the best nearby hotels and assist you in a pleasant stay according to your needs.
If you are looking for an inviting and well-equipped stay just a quick walk from your classroom, our student residences may be the ideal accommodation for you.

Our Spanish student residences have a youthful, international feel and offer you all you’ll need in one building: laundry facilities, TV, prepared meals or shared do-it-yourself kitchens, and areas for studying and socializing. All of our student residences in Spain offer individual, shared and triple rooms, Wi-Fi, shared TV, shared living/dining rooms and washing machines. Bed linens and towels are provided.

THE DORM

A budget accommodation option in the best location ever! Mix-gender dormitory room: sleeps 4/6 people per room. Shared bathroom, modern facilities, bed linens, clean, comfortable, well-organized. It is ideal for a group of friends or couples who want to save money and do not need lots of privacy.

In shared student apartments/flats you share a apartment/flat with four or five other students. We always do our best to accommodate you in a student apartment/flat with students of different nationalities. However, the common language is typically English. We suggest that you reach an agreement with one another to speak as much Spanish as possible.

Although the student apartments/flats are not luxurious, they are equipped with all the basic facilities (a bed, table, chair and a closet). Each student apartment/flat has a living room, a television, a fully equipped kitchen, a washing machine and an iron. The kitchen and bathroom are shared and cleaning is the responsibility of everyone. In student apartments telephones are not provided but calls can be easily placed from public phone booths, or personal cell (mobile) phones.
CULTURAL LIFE

At don Quijote we believe that learning a language is so much more than just grammar and memorization.

In order to master non-verbal as well as oral communication it is necessary to have a solid understanding of the culture. In order to achieve this, we offer complementary theoretical and practical courses and workshops in order to introduce students to a wide range of cultural activities and situations.

These cultural lessons may include movies, writing, specific discussions about communication topics, and other cultural activities such as singing or dancing.

We also organize weekend excursions to surrounding cities and attractions that vary by school and location. Additionally, the school organizes language exchanges called “intercambios” between students and native speakers to practice language skills outside the classroom.

“Couldn’t get enough of Alicante and this experience! The city is beautiful and has a great beach and a lot of fun things to do. The teachers were amazing and supportive the whole way through. They organized activities outside of our class schedules that really helped me understand Spain a little bit more and were just a wealth of knowledge! I loved my host family. CADIZ
CULTURE, MAGIC AND CHARM
ABOUT CADIZ
In the deep South of Spain lies the Andalusian port of Cadiz, capital of the province of the same name. Cadiz is a splendid coastal city that is almost entirely surrounded by water and famous for its perfect sandy beaches. People practically live outdoors, which makes the city lively and pleasant for strolling. Cadiz is quite Moorish in appearance and is criss-crossed with narrow cobbled streets opening onto small squares. Cadiz is also known for its famously wild Carnival celebrations which are not to be missed.

OUR COLLEGE
Our partner school in Cadiz is located in the historical center on one of the most central streets of the city, surrounded by squares, bars, shops, university faculties and only 5 minutes from the beach! This ideal location allows students to adapt quickly to daily life in Cadiz.

The school is situated in a beautiful Andalusian building dating back to 1886 and although it has been renovated to adapt to the needs of the students, it conserves its period charm. The school has 5 fully equipped classrooms, a computer room, a library, a TV and audio room, a reception and a patio.

WHAT I LOVE ABOUT CADIZ
“From the very first day, I felt right at home, exceeding all my expectations. I loved the great classrooms and small groups... big, light rooms create a friendly and cozy atmosphere. I miss the city, the teachers and the friends that I made in Cadiz every day!”

WHAT I LOVE ABOUT GRANADA
“I can tell you this was an experience I wouldn’t trade for anything, and Granada is more enchanting in person than any testimonial can describe. The city is breathtaking and the culture infectious. I learned more Spanish in 12 weeks at don Quijote than I had for the past 5 years prior to studying abroad. Not only was I able to learn the language, culture, and history, I was able to live it. I found a second home where I know I can always return”

ABOUT MADRID
Madrid’s broad stroke of architectural history provides a glorious backdrop to city life, from medieval mansions and royal palaces to the delicate angles of Spanish contemporary architecture, from the Baroque to the extravagance of the Belle Époque. Put simply, this is one beautiful city.

Few cities boast an artistic pedigree quite as pure as Madrid’s: many art lovers return here again and again. From local talents such as Goya and Velázquez to Flemish and Italian artists. Masterpieces by these and other Spanish painters such as Picasso, Dalí and Miró can always be visited in one of the city’s world-class galleries.

ABOUT MARBELLA
Boasting a warm Mediterranean climate and a thriving nightlife, Marbella is one of Europe’s leading holiday destinations, but it is also a great place for culture and history. While its climate and its wonderful beaches are what attracts most people to the area, Marbella is a place steeped in history. Key historical attractions include the Moorish walls surrounding the Old Town, the 16th-century “Capilla de San Juan de Dios” Church, and the “Ermita del Santo Cristo de la Vera Cruz” Chapel, which is more than 500 years old.

OUR COLLEGE
Our IEG Campus in Marbella is a unique center: the building itself is constructed around open air, sun-drenched patios, which will allow you to enjoy a multitude of outdoor common areas and the scent of the Mediterranean between classes or while taking a break with friends. What’s more, the school’s location is unbeatable - less than a 5-minute walk from the beach, the most desirable shops and the best “tapas” bars in town.

The school building features 17 cozy classrooms that provide for a great learning environment. All learning will take place with proven digital and educational materials that ensure academic success. A personalized language level assessment will be held the first day of class.

WHAT I LOVE ABOUT MARBELLA
“I must admit, I am a bit of a fashionist and I love an easily-breeze life. Marbella combined it all for me. I learned Spanish easily and quickly, amazing shops, glamorous lifestyle, and great nightlife. I will be back soon.”

SALAMANCA
AMAZING ARCHITECTURE
ABOUT SALAMANCA
The province of Salamanca is situated in the west of Spain, bordering with Portugal. The city is large enough to be able to offer the advantages of a proper city, but at the same time it has the warmth and friendliness of a town. The Spanish that residents of Salamanca speak is often considered the "purest" form of Castilian Spanish spoken in Spain. For this reason Salamanca is enormously popular with people all over the world who want to learn its language. Contacts are made easily. You don't have to arrange to meet as you are bound to see everyone in the "Plaza Mayor", one of the finest squares in Spain and known as the living room of the "Salamantinos". While it may be tempting to keep to fellow don Quijote students, Spanish university students are everywhere and you'll encounter them everywhere you go.

OUR COLLEGE
Salamanca, the golden city, is a fairy-tale town full of narrow, twisting alleyways, Romanesque churches, and beautiful buildings. Entering our college, you will experience the feeling of being swept away to a historic era, while still having modern amenities at your fingertips. Our beautiful patio and cafeteria with delicious local cuisine also provide for great socializing outside the classroom.

Immerse yourself in the Mecca of Spanish. All learning will take place with proven digital and educational materials that ensure academic success. A personalized language level assessment will be held the first day of class.

WHAT I LOVE ABOUT SALAMANCA
"As a real university city, Salamanca attracts thousands of students from all over the world. You will note this university character in the appearance of Salamanca's streets and in the many pleasant cafés and restaurants. Salamanca is not just a student city, however. You will have an abundance of architecture and art to see, and plenty of opportunities to discover the surrounding countryside. Putting it all together, you have a city where both the young and the not-so-young will feel at home."
ABOUT SEVILLE
If you want to experience the folkloric heart of Spain - the scent of orange trees, the click-clack of flamenco shoes, women in bright polka dot dresses, and the heat of the Andalusian sun - Seville is the city for you. Spain’s fourth-largest city and the capital of Andalusia, Seville still maintains the warmth and friendliness of a small town. To say that Seville possesses a rich history would be an understatement: it has seen the glory of the Roman Empire, the luxurious sophistication of the Moors, and the Christian “Reconquista”, which eventually gave the city what is now the largest cathedral in the world. Experience a true cultural melting pot.

OUR COLLEGE
Our IEG Campus in Seville is located in a fabulous facility: a typical Andalusian palace with 1,200 square meters generously spread over 4 floors! The school is ideally located in the “Arenal” district, close to the Cathedral and next to the “Plaza de Toros” in the heart of the old city center, surrounded by shops and restaurants. The school has 18 classrooms, a conference room, offices, a patio, communal study and relaxation areas - in addition to offering spectacular views of the “Giralda”. All learning will take place with proven digital and educational materials that ensure academic success. A personalized language level assessment will be held the first day of class.

WHAT I LOVE ABOUT SEVILLE
“A piece of my heart was left behind in Seville. I fell in love with its people, history, cafés, narrow streets, shops, liveliness! I think this is the time in my life I have felt most alive. Now every time I speak Spanish I am transported back to this amazing experience.”

HAVANA

CUBA

ABOUT HAVANA
Havana is a city of faded glory but also one of unbridled high spirits; a city where little is allowed but where much more is possible. After years of undeniable decline, this impressive metropolis, now included in the UNESCO list of World Monuments, is rising like a phoenix from its ashes.

Havana is a melting pot of cultures and races, an open-air museum under the strict direction of Castro, it is a city that you must learn to appreciate. Apart from the picturesque colonial inner city, the “Playas del Este” and the famous “Malecón” (the immense boulevard that most consider to be Havana’s living room), you should make time to discover “Vedado”. This is the part of Havana where the host families live and where you will find many Art Deco buildings that would be considered national treasures in many other countries.

OUR COLLEGE
Our partner schools in Cuba are unique in that they are not held in one central building! Your classes will take place either in your teacher’s home, in the home of your host family or, for certain mini-group courses, in a Cuban cultural center. In all three cases, you will learn Spanish surrounded by native speakers and with well-trained, highly educated Spanish teachers.

WHAT WE LOVE ABOUT HAVANA
Havana is a place where the infectious rhythms of “son” and “salsa” linger in the air, where friendly faces beckon and make sure that you’re not the only one not swaying to the beat, where poets find their inspiration, and where poetry and song is ensconced in everything you see. Learn Spanish in Havana and experience this one-of-a-kind city for yourself.

WHAT WE LOVE ABOUT SANTIAGO DE CUBA

Renowned for its welcoming, cheerful atmosphere and Caribbean personality, Santiago de Cuba is a wonderful place to learn Spanish in a warm, nurturing, picturesque, and very safe environment.
Some tourism is now starting to reach Trinidad, but it is still largely unspoiled. However, being much smaller than Havana and Santiago de Cuba, with fewer students and more difficult to reach, Trinidad is really for students who are a bit more adventurous.

About Trinidad
Trinidad is a small, beautiful colonial Cuban town. A magnificent sandy beach lies just a short bus ride from the town’s center. At night, the atmosphere is wonderful, with live music and salsa dancing in almost every corner. The town of Trinidad, together with the nearby “Valle de los Ingenios”, has been a UNESCO World Heritage Site since 1988. Trinidad has been one of the best-preserved cities in the Caribbean from the time that the sugar trade was the main industry in the region. Nowadays, tobacco processing is the main industry. Nonetheless, this astounding colonial city is slowly becoming one of Cuba’s premier tourist attractions.

Our College
Our partner schools in Cuba are unique in that they are not held in one central building! Your classes will take place either in your teacher’s home, in the home of your host family or, for certain mini-group courses, in a Cuban cultural center. GUANAJUATO
COLONIAL BEAUTY

MEXICO

ABOUT GUANAJUATO
The city of Guanajuato, at 1,996 m above sea level, is one of the most important historical and cultural colonial cities in Mexico. Guanajuato is located in one of the richest silver mining areas of Mexico, and is well-known for its wealth of fine colonial era Spanish architecture. In 1988, UNESCO declared Guanajuato and the surrounding silver mines a World Heritage Site. The city was originally built over a river, which flowed through tunnels underneath the city. However, after years of raising buildings to avoid the repeated flooding, in the mid-twentieth century engineers built a dam and redirected the river into underground caverns. The tunnels were lit and paved with cobblestones for automobile traffic, and most of the cars driving through the city today use this underground road. It is one of the most noticeable features of the city. Each October, Guanajuato holds the “Festival Internacional Cervantino”, an international festival of the arts named for Miguel de Cervantes.

OUR COLLEGE
Our school is located right in the city center in the “Barrio Pastita” only a 10 minute walk from the “Teatro Juárez.”

The school has 15 classrooms and a capacity for 110 students/day. Other facilities include an interior patio, a teachers’ room, a students’ office, a multimedia classroom and a recreation area.

WHAT WE LOVE ABOUT GUANAJUATO
As a small, quiet university city far from the tourist crowds of Cancun and Cuernavaca, Guanajuato is the ideal spot to study Spanish in Mexico. It will charm you with its architectural and cultural wealth. The international airport, less than half an hour away, provides the city with excellent connections to other cities in Mexico and to the rest of the world.
