LEARN, DISCOVER, AND ENGAGE
SPAIN

Studying Spanish in Spain is about learning a language and a culture, it’s about customs, manners, etiquette, values, music, festivals, and people. That’s why all don Quijote schools include activities that allow you to become truly immersed in the local culture. In addition to the planned activities included in your course, you can book extra experiences depending on your preferences.

The cultural activities that don Quijote offers depend in large part upon the time of year and destination you choose. Each season and city has something different and unique to offer. We recommend that you contact us at infocentral@donquijote.org so we can inform you of the different activities available during your stay.

LEARN, DISCOVER, AND ENGAGE
COSTA RICA | ECUADOR | MEXICO

Studying Spanish in Latin America is about learning a language and a culture. It’s about customs, manners, etiquette, values, music, festivals, and people. That’s why all don Quijote schools include activities that allow you to become truly immersed in the local culture. In addition to the planned activities included in your course, you can book extra experiences depending on your preferences.

The cultural activities that don Quijote offers depend in large part upon the time of year and destination you choose. Each season and city has something different and unique to offer. We recommend that you contact us at infocentral@donquijote.org so we can inform you of the different activities available during your stay.
