- Host tutor time for excursions is included, but not the price of any transport or entry fees. Students must cover their own costs and their host's
- Travel insurance

Dates: Standard arrival is on Sunday afternoon / evening and departure on a Saturday morning. The first lesson is on Monday, unless otherwise requested.

Age Restrictions: Students aged 10-17 are welcome to apply for our Young Learner programmes.

Students aged 10-13 are required to choose a **Fast Track** (25 hours per week) programme. They receive 15 hours' formal lessons and 10 hours' crafts, games and other activity-based learning, as well as standard afternoon and weekend excursions.

Students aged 14-17 may choose any programme.

Get To Know You session: All students receive a 30-minute online session with their tutor before the start of their home tuition course. This acts as part of the needs analysis and also enables tutor and student to get to know each other. If a course is split between two or more tutors, the student may have a session with each tutor.

Two-to-one Courses: These are offered at 20% discount on the one-to-one price per person. Students must have similar language levels. Prestige Homestay is charged per bathroom, not per person, so is not subject to a discount. **A separate rooms supplement** of £80 / €105 / \$100 per week

applies should separate rooms be requested.

Family English: Ideal for families who wish to study together. Depending on student levels, lessons can either be shared 2:1 or taken 1:1 in parallel. Where separate 1:1 lessons are required, we aim to host students in two-teacher families or will arrange for a visiting tutor to teach either student as required. Each student is charged the Adult 2:1 rate for the relevant number of hours to be studied.

This programme is only open to families – not friends or colleagues.

English and Sport or Culture: includes 10 hours' tuition and three afternoon sport or culture sessions per week. Students can choose from the following options:

- Tennis or Badminton
- Golf
- Horse Riding (*additional supplement of £100 per week applies*)
- Sailing
- Rowing

Exam Preparation Courses: We provide intensive preparation for the following language examinations:

- Cambridge Assessment English suite
- IELTS
- Trinity GESE / ISE
- Cambridge LinguaSkill
- ETS TOEFL
- ETS TOEIC
- DILF / DELF / DALF

Academic English: Designed for Academic and Higher Education students who need to study in English for their graduate studies. The course aims to enable the trainee to develop and practise the special skills and formal language required to achieve academic success.

Academic Subjects: Tuition for GCSE, A-level or IB students in selected subjects:

- Sciences
- Mathematics
- Business and Economics
- Humanities
- Arts and Music

Super Short Courses: A highly intensive choice for busy students. Courses can start any day of the week – including weekends. Fees are set for all locations – no City or Prestige Homestay supplement applies.

English Plus: Students may exchange tuition hours for additional excursion / activity hours with their host tutor. Activity materials are not included in the standard price and are quoted after needs

assessment.

English for Teachers: Designed for EFL or ESL teachers. The course focuses on developing tuition skills and knowledge, as well as building communication skills and classroom English. Students are matched with a host tutor who is experienced in delivering teacher trainer programmes. Flexibility of location is required.

Tuition Only: 1:1 or closed-group 2:1 tuition offered without full-board accommodation. Courses are offered in minimum blocks of 15 hours which can be taken in shorter sessions.

Edinburgh Festival: All courses taken in Edinburgh during the Festival period (28 Jul – 31 Aug) are charged a supplement of £150 per week.

Christmas / New Year: All courses starting between 19 Dec – 27 Dec 2021 are charged a one-off (not weekly) supplement.

Dietary Requirements: We always do our best to accommodate special dietary requirements. However, we reserve the right to ask for a contribution of £50 / €60 / \$70 from the student if this involves the host tutor purchasing special ingredients (e.g. gluten-free products).

Airport Transfers: Airport transfers are obligatory for all under-18s unless they are accompanied by a responsible adult. If an **Unaccompanied Minor** service is required on departure a supplement of £50 / €70 / \$80 applies. If two students share a transfer (for example, for a J2J programme), then a 25% discount is offered on the standard fee. See **Transfer Information** for more details.

Unsocial Arrival / Departure Times: Students arriving at or departing from a host tutor's home between 22h00 and 06h00 will be charged a supplement of £30 / €30 / \$45.

Accompanying Adult / Child: Accompanying persons receive room and board only. Fees exclude the cost of childcare (if applicable).

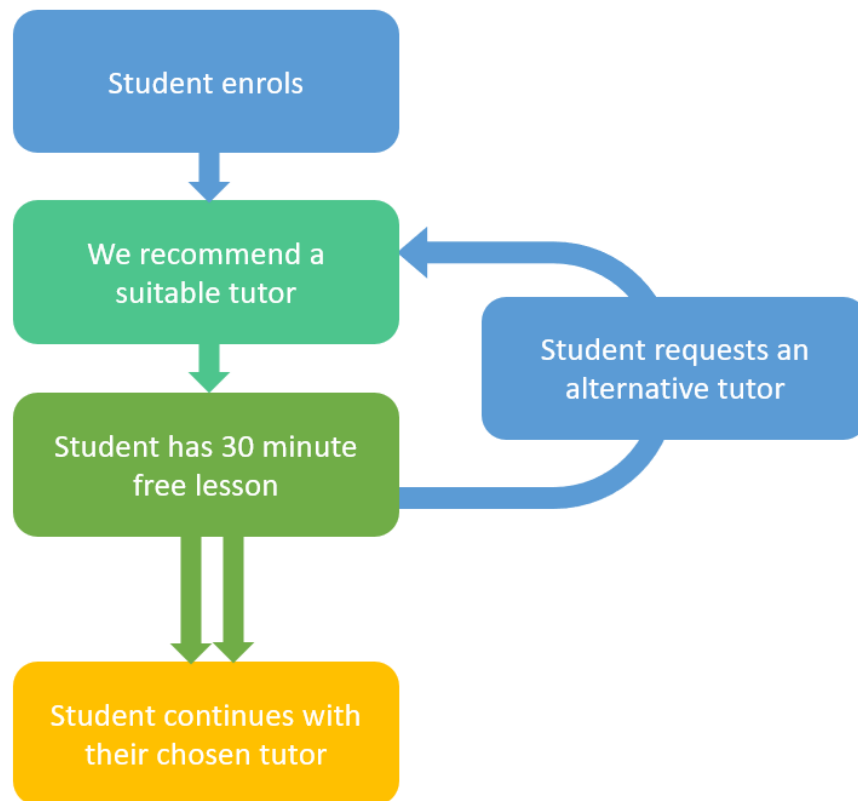

InTuition Online Programme (IOP)

IOP replaces our InTuition Vis-a-Vis programme.

IOP courses can be bought as standalone products or in combination with a home tuition course.

When bought as a standalone product, each IOP course includes up to three free 30-minute trial lessons. See diagram below for more detail.

Home tuition students adding an IOP product to their course package receive a 10% discount on the standard IOP price. They do not receive a free 30-minute Trial Lesson (as their tutor is already confirmed). Home tuition students may choose to add IOP products to their package before, during or after their home tuition course, and lessons may be taken before or after their home tuition course.
