“History and Recognition”

Founded in 1979 on the North side of Dublin Ireland, CES has today grown into an international language school with 8 year round centres in Ireland, England, Scotland and Canada. We use our over 40 years’ experience and expertise to teach the English language to students from across the globe.

CES is a family run language school. We are proud of our history and of all the students who have studied with us, and are always eager to welcome new students to one of our schools.

All of our teachers in Ireland hold a university degree plus an ACELS recognised teaching qualification. In Canada all of our teachers are degree qualified and TESL Canada certified.

In the UK, all teachers have the Trinity TESOL Certificate, CELTA or other recognised teaching qualifications, with many holding specialist EFL teaching diplomas and degrees.

Across all of our schools in Ireland, UK and Canada, our teachers are chosen not only for their experience, but also for their enthusiasm, positive attitude and ability to make language learning fun!

All CES schools offer homestay accommodation and a wide variety of alternative accommodation options including residential and hotel accommodation available at select schools on request.

CES is a multi-award winning school that has been recognised by independent and external sources such as Study Travel Magazine (Worldwide), Languagecourses.Net (Worldwide), Ryugaku Journal (Japan), and UED (Turkey).

CES is recognised and accredited by the British Council in the UK, ACELS (the Irish Department of Education) in Ireland, and by Languages Canada in Canada.

CES is proud to have four year-round schools as full EAQUALS members.

Our CES schools in Dublin, Leeds, Harrogate and Toronto are official IELTS and Cambridge Test Centres. Dublin, Leeds and Harrogate are also OET test centres.

All schools also offer the Trinity Certificate & LanguageCert Examinations.

CES is a IALC member school and a member of ALTO.

All our schools in the UK are full members of English UK.

Our motto is Care – Excellence – Success

STUDENT REVIEW

"By the time I arrived in Toronto, a driver picked me up at the airport and drove me to my family. When I got there, they were very excited to finally meet me. My host family was so nice to me the first time I became acquainted with them. We have a good and close relationship, also a great thing is that they talk in English. This is very helpful to improve my English. The house is clean and comfortable as well, I have my own room where I am able to study as well as have some privacy. I am really happy about this family."

Jessica, Switzerland
London is a fantastic place to study English - full of history, culture and exciting things to do. Wimbledon, where the school is located, is full of interesting shops, cafes, bars and restaurants. The English author Samuel Johnson believed that if you are tired of London, you are tired of life. Here at CES, we agree with him!

Famous for its Tennis Championships, and just 20 minutes from central London, it is easy to get to sights such as the London Eye, Big Ben and the Houses of Parliament, Buckingham Palace and Hyde Park. You can go shopping in London’s famous Oxford Street or Westfield, enjoy the culture of the many wonderful museums and galleries and experience the theatres and cinemas of the exciting West End. The school has study, leisure and social facilities and a lively and varied activity programme all year round.

Why choose CES London

1. Located in one of London’s fashionable suburbs, Wimbledon – home of the world famous Tennis Championships held every summer.

2. The school is located only 20 minutes by train from central London.

3. Experienced and enthusiastic teaching staff that work with you to improve your confidence and competence in English.

4. Homestay and residential accommodation available all year. There are also some premium homestays within walking distance.

5. Weekly social programme including free tennis, to experience the best that Wimbledon can offer.

Student review

Mohammed, Saudi Arabia

"I’m from Saudi Arabia and my course is about three months. I like the small class sizes and I like the friendly relations between the teachers and the students in this school. The best thing is the teachers – they are the best in England! And we have great social activities, like BBQs, pub nights, museums and galleries."

They are very friendly; there are four members in the family. They take care of us well. The best thing is having conversation, to improve my English skills and getting to know the culture.

EDINBURGH

"Be inspired by Scotland’s living capital"

Standing at the top of Arthur’s Seat, a dormant volcano nestled at the heart of Edinburgh, you cannot help but be inspired by the history of the city that spreads out before you. To your left Edinburgh Castle stands tall over the Old Town, to your right the 200 foot high Scott Monument marks the beginning of the New Town, and between them the thin strip of Princes Street Gardens reminds you that this is the greenest city in the United Kingdom. Edinburgh is a vibrant city, with four thriving universities, multiple sports stadia, and a young modern parliament driving the city forward.

Located in the heart of Edinburgh’s New Town, CES Edinburgh is an ideal location to study and experience one of the UK’s most intriguing cities. Scotland’s unique and distinctive culture will stay with you for a lifetime.

OXFORD
"The city of dreaming spires"

Learning and education are as much a part of the fabric of Oxford as the buildings themselves. As you explore the thirty eight colleges and over one hundred libraries, you begin to understand why this city has attracted so many great scholars over the years. Winding through the intimate city centre, the river Thames passes by historic colleges, as students punting down the river follow in the footsteps of Lewis Carroll, J.R.R. Tolkien and Oscar Wilde.

Located in the beautiful village of Wheatley, CES Oxford is the ideal choice for students who want a break from the hustle and bustle of a large city centre and instead prefer to study in a more relaxed environment where they can sample a traditional England. The doors to our converted Georgian house are always open and our staff and facilities embrace you in a safe, warm and welcoming learning environment.

Despite the growing popularity of coffee, most British people will still agree that nothing beats a good cup of tea! It is lucky then that Yorkshire is the home of British tea and the residents of Leeds like nothing better than to sit down with a nice cuppa and have a chat about the weather, politics, or simply what has happened that day. This positive attitude has led to Yorkshire people being named as the most welcoming in England, and the perfect homestay for students who want the opportunity to use their English in a more natural environment with native speakers.

As in most British cities, homestays in Leeds are based in the pleasant surrounding neighbourhoods rather than the city centre which means that students will have an average journey time of around 30 – 40 minutes to the school. Our city centre location and the city's excellent bus and train routes make travelling through Leeds a pleasure and students often use the journey to take in the fabulous architecture and parklands.

Homestay accommodation in Leeds is offered on a full board basis and limited self-catering residential accommodation is available for adult students during July and August.

For accommodation fees please see CES Official Price list. ** Please note, travel times may vary due to traffic conditions.

"I have really enjoyed living with a host family as it has given me the chance to both widen my knowledge of the English culture and also practise my English on a daily basis. By living in the nice, green neighbourhoods outside the city centre I have had the opportunity to know Leeds better."

IELTS stands for International English Language Testing System. It is the most widely recognised third level English language entry requirement in Europe. It tests the four language skills – listening, reading, writing and speaking. IELTS is a secure, valid and reliable test of real-life ability to communicate in English for education, immigration and professional accreditation purposes.

If you plan to enrol for third level studies in either Ireland, the UK or Canada, you may need to take the IELTS Exam. As the only official IELTS test centres in their areas, CES Dublin, CES Harrogate and CES Leeds are able to offer IELTS courses with the opportunity for students to take their IELTS exam in-house. In our other centres the exams can be taken at an external centre, usually once or twice a month.

In addition to being the largest paper based IELTS test centre in Ireland, CES Dublin was the first test centre in Ireland to offer computer-delivered IELTS tests. Computer-delivered IELTS is exactly the same test as paper-based IELTS, but instead of writing your answers on paper, you will type them on a computer.

If you select this option, you will take the Listening, Reading and Writing sections on a computer, but the Speaking test will still be face-to-face with a trained IELTS Examiner as this is the most effective way to assess your speaking skills.

With computer-delivered IELTS, you will now have more test dates to choose from - and your results will be available in 3-5 days.
