Genoa is a very beautiful city that offers a wide range of events to satisfy the tastes of all age students.

Every week we publish a program concerning social and cultural activities, visible in the entrance of the school.

Some activities are free and others have a price (always established before) to cover trips, museum, meals and transport tickets..

Students' participation has to be confirmed at least one day before.

If you are interested in visiting a particular monument or to go on a trip by yourself, we are at your disposal to provide you all the necessary information to organize it and if possible to provide direct the entrance tickets.

We offer on a regular basis

- a guided walking tour in the historical center of Genoa
