

## FREE TIME ACTIVITIES

**Study and learn Italian language at A door to Italy school in Genoa and enjoy your time in Genoa.**

The **Italian language school A Door to Italy** organizes a **rich and full program of free time activities for students** in order to give them a chance to **practice the language also outside the classrooms** and to let **students socialize in a friendly atmosphere.**

Genoa is a very beautiful city that offers a wide range of events to satisfy the tastes of all age students.

**Every week we publish a program concerning social and cultural activities, visible in the entrance of the school.**

Some activities are free and others have a price (always established before) to cover trips, museum, meals and transport tickets..

Students' participation has to be confirmed at least one day before.

If you are interested in visiting a particular monument or to go on a trip by yourself, we are at your disposal to provide you all the necessary information to organize it and if possible to provide direct the entrance tickets.

We offer on a regular basis

- a guided walking tour in the historical center of Genoa
- an Italian film at school
- a visit in one of the city museum

We organize also some **APERITIVO** at the Italian way or a **LUNCH AT SCHOOL** with wide world receipts made by our students.
