

Bilbo, Frodo and Gandalf Houses (min age: 18 | no maximum)

GENERAL & IMPORTANT INFORMATION

The school owns 3 renovated apartments so all options are **managed directly by ALCE**. It is a perfect solution for students who wish to live more independently (SELF CATERING options), yet being part of a “family” group of **international students**.

Bilbo, Frodo and Gandalf were all totally refurbished just a few years ago.

They are all located in a **SECURE residential area** within walking distance to our school.

When you book the school apartment option, please note you might be placed in any of them: the school places the students and attributes the rooms depending on: dates, nationalities, ages at best. When possible, Gandalf, will be used for more mature clients.

We try our best & the cohabitation works really well

NB: students from any nationality, gender and age (younger or more mature students) live together.

NB: OTHER SHARED APARTMENT MAY BE USED DURING PEAK SEASON: FROM JUNE TO SEPTEMBER:

Please note that our school apartments get fully booked quickly during the peak months so we may use extra privately owned shared apartments. Prices are the same as the school ones.

Don't worry! We chose them and visited them, they are all very nice, convenient and comfortable. Standards are at least similar to our school apartments (except a/c not always available). They are located within **walking distance** to the school (15-20 minutes average & easily reachable by bus/bike- 10-15 minutes).
