

# Shotover Lodge

Your "Home Away From Home"

In association with Queenstown Resort College (QRC), ABC owns and operates Shotover Lodge, our Student Residence and for many their "home away from home". Conveniently located in Arthur's Point, the lodge is a 7 minute bus ride to town and 15 minutes to the Coronet Peak ski area. There are also a number of hotels, restaurants and tourism operators close by such as the famous Shotover Jet, which is ideal for those able to work.

## Safety First

At ABC the safety and wellbeing of our students is our main focus. For that reason the Lodge has 2 live-in Managers, who not only manage the day-to-day operations but also organise a range of social activities with the assistance of residential assistants, who are usually senior students from QRC.

Activities include game nights, twilight movies in the gardens, BBQ dinners and more.

## Comfortable Rooms

Students can choose from both single and if travelling with a friend, twin share rooms subject to availability.

All rooms include an ensuite (toilet and shower), central heating, a balcony or patio, TV and lounge furniture. They also have a kitchenette which includes a mini fridge, microwave, hot water jug and basic cutlery.

For safety reasons students can not cook in their rooms. However, they have access to a communal commercial kitchen which contains a full range of cooking utensils and equipment
