

# School activities in Málaga

Besides the courses we always organize extra activities, always for our foreign students but also for our Spanish students learning English or German with us. With these school activities we can offer you the possibility to get in contact with locals and to practise the Spanish you have learned in real situations.

**The activities in our school already organised are:**

Halloween Party

museum of modern arts, etc.

Sports: Football match, Beach volley, etc.

Cooking together

... and much more...

Video show

DVD show
