

## JUNIOR COURSE

The Junior Course is designed for young students aged between 10 and 15 years.

The classes consist of a minimum of 3 students with a maximum of 8 students per class. During lessons teachers teach the Italian language and culture using songs, games and fun activities. Thanks to the many communicative activities proposed during the lessons, students will learn to understand, develop and write in Italian.

The curriculum is supplemented by cultural and sports activities organised by the school under the supervision of an experienced guide. Among the proposed activities include sightseeing and sport activities.

Upon arrival at school, we will give students an updated program of activities and information materials. The most recommended accommodation for students is the family stay but there are also other kind of accommodation to choose from... like shared apartments, hotels and B&B in the City center.

- Minimum duration: 1 week
- Maximum duration: 4 weeks
- 20 lessons per week, from Monday to Friday
- Excursions as scheduled in the programme
- Maximum 8 students per class
- Minimum 3 students per class (in case the students per class are less than 3 the lessons will be reduced\*)
