

Teacher Training- FLE

Continuous training is essential for language teaching.

For you alone, in a group or in your school, we offer a very comprehensive training catalogue.

Our specialities: Teaching everyday's grammar, teaching language through classes projects , new technologies (interactive whiteboards, tablets, creation of digital activities), setting up a "pedagogical cloud", online courses (tools, resources, student motivation).

For Europeans, continuing education is possible with an ERASMUS + grant : PIC 933795915

	Hours/week	1 hour = 45 minutes
Individual Coaching	20+10	Discover the latest teaching methods, learn how to teach with modern technologies, and grab the attention of your students. This programme offers you French classes depending on your language level with a tailor-made programme of teaching training.
Summer Training for French Teachers	30	You would like to refresh your teaching methods? Get new ways to motivate your students and share your knowledge with French teachers from over the world? We offer intensive training to develop your creativity and your skills. You will leave us with teaching material you can use immediately in your class.
Tailor-made Programme	10 to 30	You work together and would like to enjoy a common training focused on a specific topic? Min. 5 people for a tailor-made programme.
Teacher-training in your Institution	10 to 30	The FLE experts come to you either physically or online. We share our experience of teaching French as a foreign language to set up a tailor-made programme that will fit your daily needs.
