Teacher training - FLE

Continuous training is essential for language teaching. We offer a full training catalogue for you alone, in a group or in your school.

Our highlights: daily grammar, pedagogy with projects, new technologies (digital boards, tablets, digital activity creation), introduction to online pedagogical platform (cloud).

The Europeans can continue their training with an ERASMUS+ grant: PIC 933795915

Discover the latest teaching methods, learn how to teach with modern technologies, and catch the attention of your students. This programme offers you French classes depending on your language level with a tailor-made programme of teaching training.

You want to refresh your teaching method? Do you want to know how to motivate your students and to share your knowledge with French teachers from all over the world? We offer you intensive trainings to develop your creativity and your skills. You will leave us with teaching material you can use immediately in your class.

You are working together and would like to enjoy a common training focused on a specific topic. Min. 5 persons for a tailor-made programme.

The FLE experts come to you. We share our experience of teaching French as a foreign language to set up a tailor-made program that will fit to your daily needs, no matter what your public is (students, adults, teachers). This programme is tailor-made.
