French + Internship	20 + 20	10	This full-time program gives the possibility to practice the language in a professional environment and gives an overview about the work life in France.
Bonjour la France	20	10	Discover 2 French cities in 4 weeks! An innovative way to learn French and to discover the real France in two most beautiful cities: Rouen and Montpellier.

As a teacher of French and French cuisine, I wanted an immersion experience simply to improve what I do in class with my students. Accent Français was really great. Located in the heart of Montpellier, with very well guided excursions, and with interesting and current courses, I would recommend this program to experts and beginners, both. What a wonderful three weeks!
