

For the past two centuries, New York has been the largest and wealthiest American city. It's an architectural marvel with many historic monuments, impressive buildings and countless magnificent skyscrapers. Besides the architectural delights, New York is an urban jungle that has everything to offer to visitors. The city is home to numerous museums, parks, trendy neighborhoods and shopping streets. It's the most ethnically diverse, commercially driven, famously congested, and the most attractive and fascinating urban center in the USA.

Our students will discover New York City through daily afternoon and evening field trips to historical and cultural places of interest. Our experienced staff will organize and supervise each group tour for your students, so they can experience the New York culture and lifestyle. Our program field trips include:

Ferry to see the Statue of Liberty
Times Square and Midtown Manhattan
Central Park

Summit One Vanderbilt Observation Deck
Metropolitan Museum
9/11 Memorial and much more

access to learning

access to adventure

access to the future

Our New York City program is hosted at St. John's University. Founded in 1870, St. John's is a Catholic and Vincentian university. Its campus encompasses over 100 acres located in a quiet, safe residential neighborhood in Queens, one of the five boroughs that make up New York City. The University lies within easy reach of Manhattan, accessible by all public transportation, allowing our students access to the vast cultural, educational and commercial resources this magnificent city has to offer. St. John's campus features broad lawns, handsome stone buildings and ultramodern student residence halls. Facilities include high-tech laboratory and classroom buildings, and state-of-the-art overall facilities.

Accommodations are typically in suite style air-conditioned apartments with single and double occupancy. There is 24/7 security, washers & dryers; microwaves, apartment refrigerators, as well as free Wi-Fi. Our students enjoy many dining and catering options at the recently renovated Dining Hall. Meal plans include all-you-can-eat, buffet style dining.

CLASSES: English language program of 15 lessons

ACTIVITIES: Weekly activity program includes fully supervised daily field trips

AGES: 14 to 18

DURATION: 2, 3 or 4 weeks during the months of July and August
