AM Language places the highest priority on the welfare of our students, whether it is related to safety, health or any concerns that our teenage students might have.

Our highly experienced Child Protection Officer is available 24/7 to deal with any issues raised by our minors.

From the moment a student sets foot on the island to the time of departure, our highly trained staff will be monitoring your children in order to ensure that they make the most of their AM Language Malta experience in the safest possible manner. Our staff will provide constant round the clock care for students while at school, on activities and in their accommodation.
