### LONDON

London is one of the most beautiful tourist and industrial cities in the world.

It has a large number of famous theatres, universities, museums, educational institutes and cultural centres around the world.

### THE CENTRE

Our Uxbridge Centre is based at Brunel University, around 45 minutes by Tube from the centre of London. Uxbridge is a good base for exploring London and all its famous sites. The Tube station in Uxbridge is around 25 minutes on foot or 10 minutes by bus from the campus.

A modern, self-contained campus, the bedrooms are single en-suite and have a desk, chair, bedside table, wardrobe and shelves.

There are modern classrooms with projectors and multimedia systems to assist with engaging learning.

There are indoor and outdoor sports facilities, a superb disco venue, and large lecture theatres for movie night.

WiFi is available for free across the campus.
