

## **Extra-curricular activities at Arabeya**

To stay true to Arabeya's goal of delivering a fully immersive and cultural experience, we provide students the opportunity to experience the variety and richness of Egyptian life.

All of this is designed to enable students to gain the most out of their time in Egypt and to give them real-life situations in which to practice and enhance their Arabic skills.

Activities that students can take part in include:

- Trips around Cairo to famous, as well as lesser known sites
- Trips outside Cairo such as Alexandria, Ismalia and Fayoum
- Events for Egyptian holidays with food, games and music
- Arabic Calligraphy events
- Egyptian Cooking classes
- Egyptian Cinema Club (coming soon!)
- Seminars and Talks on Egyptian, Arab and Islamic culture and history

Keep up to date with all our events on Facebook or directly on our website!
