

BELS GOZO

50+ English & Social Experience

English, culture, and community designed for adults 50 and over.

Our 50+ Programme blends meaningful English practice with relaxed cultural discovery. You'll join engaging morning lessons and enjoy a handpicked selection of activities designed exclusively for adult learners. It's a week of language, culture, great company, and the local charm that Gozo is known for.

LEARN IN A CALM, ADULT-ONLY SCHOOL

Morning lessons take place at BELS Gozo, where the average age is 45-55 and classrooms feel focused, personal, and supportive.

DISCOVER LOCAL FOOD & CULTURE

Wine tastings, traditional dinners, walking food tours, and scenic outings help you discover the island while practising English naturally.

CONNECT WITH LIKEMINDED PEOPLE

All social activities are exclusive to the 50+ group, making it easy to meet people, enjoy the island, and build meaningful connections.

Learn English with Purpose and Pleasure

Our 50+ courses follow the [General English Standard](#) or [General English Intensive](#) options, with interactive lessons and topics inspired by travel, culture, and life experience. Classes are mixed-age, available at all levels, and offered in standard groups of up to 12 students or mini groups of up to 6 for more personal attention.

You will expand vocabulary, build fluency, and grow in confidence through meaningful discussions, real-world communication, and guided discovery, always learning by doing rather than memorisation.
