# Learn English with Purpose and Pleasure

Our 50+ courses follow the [General English Standard](#) or [General English Intensive](#) options, with interactive lessons and topics inspired by travel, culture, and life experience. Classes are mixed-age, available at all levels, and offered in standard groups of up to 12 students or mini groups of up to 6 for more personal attention.

You will expand vocabulary, build fluency, and grow in confidence through meaningful discussions, real-world communication, and guided discovery, always learning by doing rather than memorisation.

## Based at BELS Gozo
