Berlitz | English Language Academy

Established in 1988, English Language Academy is one of the leading language Centres in Malta. Nicknamed “the School with a Heart”, we are proud of the family atmosphere students find in our classrooms and amongst our administrative staff. ELA has always been the “home away from home” for students from over 78 different countries.

"Our mission is to continue providing a variety of high-level educational programmes in a family-like atmosphere that is conducive to learning; keeping up-to-date with the latest technology and quality assurance methods."

To give all our valued students an even better experience, English Language Academy has joined the Berlitz family and we are extremely excited to combine ELA's strengths with the pioneering, fully-immersive Berlitz Method.

FOCUS ON CONVERSATION

Our immersive lessons focus on speaking the language. Interactive conversation helps develop the confidence to speak English more naturally.

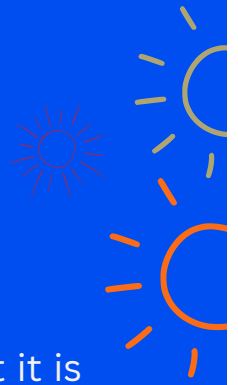

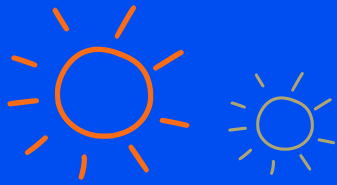

LEVEL SPECIFIC

Our course is offered at different levels depending on the ability of the student. This ensures smoother progression and greater fluency.

TEACHING TEAM

Our dedicated teaching team is made up of highly-motivated and committed professionals that push students to maximise their learning experience through continuous interaction.

The Berlitz Method

- The Berlitz Method has proven time and time again that it is one of the best ways of learning a language fluently and efficiently.
- The English language is presented in the context of real-life situations.
- We focus on the language skills our students will need to navigate daily interactions rather than just academic translations or grammar rules.
- This helps students gain the confidence to speak the language quicker and more fluently.
- We also guide students through a process of practice and presentation to help them quickly absorb what they have learnt and progress to the next level.

The Language Centre

- Berlitz | English Language Academy is centrally located just a few minutes' walk from the seaside promenade.
- It is close to all amenities like cafés, restaurants, shopping centres and entertainment venues.
- We are very near the major main bus routes and the regular ferry service to the UNESCO capital city, Valletta.
- The Language Centre consists of 30 bright, air-conditioned classrooms, fully-equipped with interactive whiteboards and the latest technology.
- A spacious roof terrace is ideal for fun, in-house social activities.
- Our corner café is great for a relaxing chill-out at breaktime.

Our Happy Customers

Frank Hüllmandel

"Super Schule, erfahrene und sehr nette und kompetente Lehrer. Ich kann die Schule sehr empfehlen..."

Robert Rode Personal Trainer

"The school is very well located. Quickly accessible from all places around Valetta. I have experienced a lot of competence and kindness there. I was in Sliema Strand, from there a 15 minutes walk. I booked some private one to one lessons there. My teacher Elaine was very polite and she responded to me very individually. Above all, she gave me more confidence about my english knowledge in my future. I'm full of gratitude. I'll be back! Thanks a lot Elaine and ELA!"

SYDNEY ENGLISH STUDIO
