WELCOME TO

Best Teacher ★

Our Vision

We offer Spanish Courses focus on discover the live language and cultural experience through different role-plays, entertainment and mixing cultures.

We take care of our students offering effective courses in small groups in order to allow to participate and put in practice what they are learning in class.

Classes are completed by several activities and trips.

Madrid

Madrid is the capital of Spain, an excited city located in the centre of the Iberian Peninsula which connect with every city of Spain less than 6 hours and well connect with other countries.

High cultural traditions, many activities to do day & night, the best museums, good weather and sun, and security city.

COURSES

General Spanish (Basic, Intermediate and high level)
Business Spanish
Spanish for kids
Intensive summer program
Preparation for official exams.

ACCOMMODATION

We can help you managing accommodation reservation
Family accommodation
Student Residences
Flatsharing

ACTIVITIES

In addition of courses we plan for free activities in the afternoon to complete the cultural experience.

Also we organise trips during weekends

CERTIFICATIONS & EXAMS

At the end of the course, student will do an exam which will evaluate the level of Spanish. Then student will get a certification Best Teacher with his level of Spanish.
