BLI English and French courses focus on developing the four main language skills: speaking, reading, listening, and writing with the correct use of grammar structures, vocabulary, and phonetics.

Using the Communicative Approach, the advantage for students at BLI is that upon completion of their program, they will be better equipped to communicate in a spontaneous and natural way, and they will be better at expressing their thoughts and ideas.

Test preparation is available for IELTS, TOEFL, CELPIP, DELF, and TEFAQ. For course dates, please contact us.

1 lesson is equal to 50 minutes.
 Lunch break is from 12:00 - 12:50

In some courses, students at multiple language levels are combined. This enables them to draw on each other's strengths and skills and advance through peer mentoring.

REFUND AND CANCELLATION POLICY

All notices regarding cancellations and refunds must be given in writing by mail or email stating the reason why you intend to withdraw from the program you have registered for, and they must state valid reasons for the request.

38

All refunds will be made to the same person and to the same account as they were received (bank transfer, credit card, or direct deposit). The bank and credit card fees applicable to the payment and refund will be deducted from the total amount to be refunded.

CANCELLATIONS

All notices regarding cancellations and refunds must be given in writing, either by mail or email, stating the reason for your withdrawal from the program you have registered for. **Registration fee, accommodation placement fee, official letter for student visa fee, and custodianship letter fees are non-refundable.**

If you are obliged to cancel your program due to visa refusal, a complete refund will be made, excluding the registration fee, accommodation placement fee, official letter for student visa fee, custodianship letter fee, and applicable bank fees.

Note that BLI must receive the original CIC letter of refusal. No refunds will be issued without that document.

If you registered with BLI using a promotional offer, and no registration fees were charged, an administrative fee equal to the registration fee will be applied.

PROGRAM CANCELLATION

Before Program Start Date

If you cancel your program **within 10 days** after submitting your registration, **no cancellation fee** will be charged.

If you cancel **31 days or more** before the program starts, **30% of the program tuition fees** will be charged.

If you cancel less than **30 days** before the program start date, **40% of the tuition fees** will be charged.

If CIC denies your visa, only the registration fee, accommodation placement fee, official letter for student visa fee, custodianship letter fee, and bank fees will be charged; no additional cancellation fees will apply.

After Program Start Date

If you cancel **within 1% to 10% of the total length** of your program, **50% of the fees** will be charged.

If you cancel **within 11% to 24% of the total length** of your program, **70% of the fees** will be charged.

If you cancel after having completed **25% of your program**, **100% of the fees** will be charged.

As BLI prices vary based on the length of a program, if you decide to shorten your program and are eligible for a refund, the weekly rate may change if the duration of your program falls under a different price range.

Partially used weeks will be considered as completed weeks without exception.

If you wish to cancel your program at BLI, you must demonstrate that it is legal for you to remain in Canada. Otherwise, you will have to accompany your refund request with proof that you will leave the country. A photocopy of a fully paid and non-refundable plane ticket showing the return to your home country must be provided. If you enroll in a different school, an original letter of acceptance and the tuition payment receipt must be provided to prove that you meet the initial conditions stated in your visa application. If you are not able to provide any of these documents and you want to remain in Canada, you must apply for a visa status change.

PROGRAM CHANGES

You can upgrade but not downgrade your program. For example, if you want to change from a full-time program to a part-time program, you will have to cancel the program and reapply. The cancellation policy will apply. BLI courses and services are not transferable under any circumstance.

POSTPONEMENT

If you wish to postpone the start date of your program, you must notify BLI in advance. BLI will issue a new letter of acceptance for a later date. If your program lasts less than 6 months, it will be free of charge. However, if your program lasts six months or longer, you will be charged \$110 CAD.

HOMESTAY CANCELLATION POLICY

If you registered with BLI using a promotional offer and no accommodation fees were charged, an administrative fee equal to the accommodation placement fee will be applied. The accommodation placement fee is non-refundable.

Before Program Start Date

If you cancel **4 weeks or more before the arrival date, no cancellation fee** will be charged.

If you cancel **less than 4 weeks before the arrival date, 2 weeks** of homestay will be charged.

If you cancel **less than 1 week before the arrival date** or there is a **no-show, 4 weeks** of homestay will be charged.

If you booked a homestay for one month or less, you must give the Student Services Coordinator 2 weeks notice in writing. If you decide to leave your homestay before those two weeks, those days will not be refunded. The first two weeks are non-refundable.

There is no refund for missed meals. If you booked a homestay for more than one month, you must give the Student Services Coordinator ONE MONTH notice. If you decide to leave your homestay before that, the unused days of that month will not be refunded. The rest of the unused fees will be refunded.

HOMESTAY CHANGES

If there is a severe problem with your host family that requires an immediate transfer, the Student Services Coordinator will assist in finding a new family at no extra cost. As long as there is a valid reason for requesting a change to a new family, there will be no charge for a new homestay placement. However, if you decide to change accommodation for your own reasons, there will be a charge for the new placement. All changes, notices, or cancellations must be submitted in writing to the Student Services Coordinator.

STUDENT RESIDENCE CANCELLATION POLICY

Refunds will be applied according to the refund and cancellation policies set by the specific residence or alternative accommodation provider.

EVO OLD MONTREAL

Once the booking is confirmed, there is no possibility of refund before or after the arrival, whatever the reason may be.

ALTERNATIVE ACCOMMODATION

Each service provider has a different policy. Once you select the alternative accommodation option, you will receive along with your confirmation letter, the cancellation policy applicable to that specific accommodation.
