Using the new sixth form site completed in September 2017, d'Overbroeck's offers a wonderful setting for a summer school, complemented by its first-class and modern facilities.

The school provides contemporary classrooms, several art rooms and numerous laboratories, making it the ideal location for the Young Professionals summer programme.

Accommodation is set across two boarding houses: Islip House and Nash House.

Available courses:

Young Professionals:

- Business and Management
- Computer Science
- Engineering
- International Relations & Politics
- Medicine

Accommodation:

There are 2 available boarding houses for students: Islip House for female students and Nash House for male students. Both boarding houses are no more than a 20 minute walk from the main site. Students will be accompanied to and from accommodation in the morning and evening. Bathrooms are a mixture of en-suite and shared between 4-6 students.

Transfers:

Bucksmore offers a free airport transfer service for all students at d'Overbroeck's arriving and/or departing between 10:00-20:00 at:

- London Heathrow (LHR)
- London Gatwick (LGW)

Students requesting private transfers outside of these destinations and times will be subject to additional charges.

Please see the transfer information page for more details.

Laundry:

Laundry is free and available on-site. Once a week, students must load and empty laundry machines themselves (with staff guidance), though laundry detergent will be provided by Bucksmore.

Did you know?

The new sixth form site at 333 Banbury Road takes over what was formerly a Masonic lodge known as 'Summerhill House' dating back to 1823.

Auditorium

d'Overbroeck's auditorium is a large, bright and airy room, complete with audio-visual equipment. Seating is retractable, so the room also provides large activity space.

Student Common Area

Between periods, students can socialise and relax in the central common area that leads onto the patio where there are picnic benches and a table-tennis set for tournaments in between lessons!
