An all-new multi-million pound residential centre for Burlington School

In our 30 years of helping students from around the globe become more confident communicators in English, the Burlington School of English has made its unique mark in the EFL industry as one of the leading independent language schools in London. We take the greatest pride in the reputation we have built over the years for excellence in our academic programmes for all ages, personalised customer service support, and our family-orientated atmosphere – and we are delighted to announce, as a result of our growth and with the aim of providing an ever-better student experience, that we are expanding out to a brand new school site to match.

Our new multimillion-pound centre, complete with all new state-of-the-art facilities, updated in-classroom interactive technology and over 80 on-site residential beds, is nestled in a popular and well-connected South London neighbourhood which offers excellent transport links as well as the green space and “local community” feel that our students have come to know and love. As always, our students are offered the full package: a true community space where they can eat, sleep, socialise and study – all under one roof – as well as get to know the city in greater depth through authentic interaction with the surrounding area, shared by a diverse population of Londoners and a range of vibrant local businesses.
