Our English for Specific Purposes courses are designed for people who want to improve their English in the context of their profession or area of study. They are suitable for experienced professionals, people preparing for their first job in an English-speaking environment, students preparing for related courses and people who want to improve their career prospects.

We offer courses in the following:

- English for Finance
- English for Human Resources
- English for Law
- English for Marketing
- English for Medicine
- English for the Oil and Gas Industry
- English for Teachers
- English for Tourism

Because the courses are delivered to order and the syllabus designed to meet individual and collective needs, the timetable is flexible, and the classes can be delivered to meet students’ requirements.

We can offer our English for Finance courses either at Burlington School or in the student’s offices to allow them more flexibility with time.
